BILLING CODE 4510-04-P

DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Respirable Crystalline Silica Standards for General Industry, Maritime and Construction

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Occupational Safety & Health Administration (OSHA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before June 8, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Nicole Bouchet by telephone at 202-693-0213, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: The standards require covered employers to monitor employee exposure to respirable crystalline silica, to establish either regulated areas or a written access control plan, to conduct medical surveillance, and to establish and maintain accurate records of employee exposure to respirable crystalline silica and employee medical records. These records will be used by employers, workers, physicians and the Government to ensure that workers are not being harmed by exposure to respirable crystalline silica. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on December 17, 2025 (90 FR 58625).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an

information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

Agency: DOL-OSHA.

NUCLEAR WASTE TECHNICAL REVIEW BOARD

Board Meeting

The U.S. Nuclear Waste Technical Review Board will hold a hybrid (in-person/virtual) public meeting on June 9, 2026.

Board meeting: June 9, 2026 — The U.S. Nuclear Waste Technical Review Board will hold a hybrid (in-person/virtual) meeting in Arlington, Virginia, on June 9, 2026, focusing on technical lessons learned from the siting and development of geologic repositories in other countries.

Pursuant to its authority under section 5051 of Public Law 100-203, Nuclear Waste Policy Amendments Act (NWPAA) of 1987, the U.S. Nuclear Waste Technical Review Board will hold a hybrid (in-person/virtual) meeting in Arlington, Virginia, on Tuesday, June 9, 2026, focusing on technical lessons learned from the siting and development of geologic repositories in other countries. Speakers

from countries that are (i) in the site selection process (e.g., Czech Republic, Germany, and Republic of Korea) and (ii) those who have advanced to subsequent development stages (e.g., Finland and Switzerland) will participate.

The hybrid (in-person/virtual) meeting will be held at the AUSA Conference & Event Center at 2425 Wilson Blvd. in Arlington, Virginia. On June 9, 2026, the meeting will begin at 8:00 a.m. Eastern Daylight Time (EDT) and is scheduled to adjourn at approximately 4:30 p.m. EDT. A detailed meeting agenda will be available on the Board's website at www.nwtrb.gov approximately one week before the meeting.

The meeting will be open to the public, and there will be an opportunity for public comment at the end of the meeting. Those attending the meeting in person and wishing to provide oral comments are encouraged to sign-in using the Public Comment Register at the check-in table near the entrance to the meeting room. Oral commenters will be taken in the order in which they signed in. Public comments may also be submitted during the meeting via the online meeting viewing platform, using the "Comment for the Record" form. Comments submitted online during the day of the meeting may be read into the record by Board staff during the public comment period, if time allows.

Depending on the number of speakers and online comments, a time limit on individual remarks may be set. Written comments of any length may be submitted to the Board staff by mail or electronic mail. Comments received in writing will be included in the meeting record, which will be posted on the Board's website. An archived recording of the meeting will be available on the Board's website following the meeting, and a transcript of the meeting will be available on the website by August 7, 2026.

The Board is a federal agency in the Executive Branch. It was established in the Nuclear Waste Policy Amendments Act of 1987 (Pub. L. 100-203) to perform ongoing evaluation of the technical and scientific validity of U.S. Department of Energy activities related to developing and implementing a program for the management and disposal of spent nuclear fuel and high-level radioactive waste, in accordance with the terms of the Nuclear Waste Policy Act of 1982, as amended. Board members serve part-time and are appointed by the President from a list of nominees submitted by the National Academy of Sciences. The Board reports its findings, conclusions, and

recommendations to Congress and the Secretary of Energy. Board reports, correspondence, congressional testimony, meeting transcripts, and related materials are posted on the Board's website.

For information regarding the meeting, contact Dr. Jay Santillan at santillan@nwtrb.gov, or by phone at 703-235-4490, or Ms. Chandrika Manepally at manepally@nwtrb.gov or by phone at 703-235-4489. For information on meeting logistics, contact Ms. Davonya Barnes at barnes@nwtrb.gov, or by phone at 703-235-9141. All three may be reached by mail at 2300 Clarendon Boulevard, Suite 1300, Arlington, VA 22201-3367; or by fax at 703-235-4495.

Dated: May 5, 2026.

Bret W. Leslie,

Acting Executive Director, U.S. Nuclear Waste Technical Review Board.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-105362; File No. SR-MSRB-2026-01]

Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing of a Proposed Rule Change To Amend MSRB Rule G-12(c) To Codify and Retire or Revise Certain Existing Interpretive Guidance on Confirmation Requirements for Those Inter-Dealer Municipal Securities Transactions That Are Ineligible for Automated Comparison

May 4, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 30, 2026, the Municipal Securities Rulemaking Board ("MSRB" or "Board") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the MSRB. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The MSRB filed with the Commission a proposed rule change relating to

MSRB Rule G-12, on uniform practice (the "proposed rule change"). The proposed rule change would revise section (c) of Rule G-12 ("Rule G-12") to codify into rule language and to retire or revise existing interpretive guidance on confirmation requirements for those inter-dealer municipal securities transactions between two brokers, dealers or municipal securities dealers (collectively, "dealers") that are ineligible for automated comparison at a registered clearing agency, as well as to retire or revise other related interpretive guidance and to make technical amendments to simplify and clarify current rule requirements.

If the Commission approves the proposed rule change, the MSRB would announce the effective date of the proposed rule change in a regulatory notice to be published on the MSRB website no later than 90 days following Commission approval. The effective date would be no later than one year following Commission approval.

The text of the proposed rule change is available on the MSRB's website at <https://msrb.org/2026-SEC-Filings> and at the MSRB's principal office.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the MSRB included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The MSRB has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Section (c) of Rule G-12 sets forth the confirmation requirements for inter-dealer municipal securities transactions that are ineligible for automated comparison in a system operated by a registered clearing agency,³ also referred to herein as "inter-dealer

³ A list of registered clearing agencies is available at <https://www.sec.gov/about/divisions-offices/division-trading-markets/clearing-agencies>. Currently, registered clearing agencies active in the municipal securities market consist of the Depository Trust & Clearing Corporation and its affiliates.
