II. Background and Authority

SAIL250® Maryland & Airshow Baltimore (SAIL250) is planning a week-long celebration of maritime and aviation events in Baltimore's Inner Harbor beginning June 24, 2026. Among these events are flyovers and aviation demonstrations. The events may include a U.S. Coast Guard Search and Rescue Drill and WWII-era "Warbird" flyovers. On January 30, 2026, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zone; Inner Harbor, Baltimore, MD (91 FR 4022). In that NPRM, we stated why we issued the NPRM and invited comments on our proposed regulatory action related to this air show. During the comment period, which ended March 2, 2026, we received no comments.

To protect personnel, vessels, and the marine environment from potential hazards arising from these activities in these navigable waters before, during, and after the air demonstrations, the Captain of the Port, Sector Maryland-National Capital Region (COTP) is establishing a safety zone from 10 a.m. on June 24, 2026, through 6 p.m. on July 1, 2026. We are proposing this rule under the authority in 46 U.S.C. 70034.

III. Discussion Comments of the Rule

There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

Although the safety zone would be in effect for a week, it would only be subject to enforcement beginning thirty
