SUPPLEMENTARY INFORMATION:

I. Background

The DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to OMB for approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The Office of Worker's Compensation Programs (OWCP) administers the Federal Employees' Compensation Act (FECA), which provides under 5 U.S.C. 8191, *et. seq.* and 20 CFR 10.735, that non-Federal law enforcement officers injured or killed under certain circumstances are entitled to the benefits of the Act, to the same extent as if they were employees of the Federal Government. The CA–721 and CA–722 are used by non-Federal law enforcement officers and their survivors to claim compensation under the FECA. Form CA–721 is used for claims for injury. Form CA–722 is used for claims for death. The authority for this collection is 5 U.S.C. 8191–8193.

These forms are the device by which notices of injury, claims for compensation, and claims for death benefits are filed by non-Federal law enforcement officers and their survivors. The information contained in the forms is used to help determine if the claim is covered and what further issues to develop: (a) was the injury sustained under circumstances bringing it within 5 U.S.C. 8191; (b) was the injury disabling; (c) is the disability due to the injury; (d) are those filing a claim

entitled to compensation; (e) what further information is required to reach a decision, etc.

See: <https://www.dol.gov/agencies/owcp/FECA/regs/statutes/feca>.

See: *eCFR: 20 CFR 10.735—When is a non-Federal law enforcement officer (LEO) covered under the FECA?*

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA–2026–016]

Agency Information Collection Activities; Proposals, Submissions, and Approvals; Schedule A and Veterans Recruitment Initiative

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of request to reinstate a previously-approved information collection.

SUMMARY: We have submitted a request to the Office of Management and Budget (OMB) for approval to reinstate a previously-approved information collection that expired in July 2025. This information collection will be used to connect veterans and Schedule A-eligible applicants with an opportunity for noncompetitive employment. Information will be collected from people who are interested in these opportunities to consider them for the positions and match them with possible jobs. The collection includes approval of a form, NA Form 3102, NARA Employment Interest Questionnaire. We invite you to comment on these information collections.

DATES: We must receive written comments on or before July 7, 2026.

ADDRESSES: Send comments to surveys@nara.gov.

FOR FURTHER INFORMATION CONTACT: Ben Jordi, Paperwork Reduction Act Officer, by email at ben.jordi@nara.gov or by telephone at 304–726–7865 with requests for additional information or copies of the proposed information collection and supporting statement.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13), we invite the public and other federal agencies to comment on proposed information collections. If you have comments or suggestions, they should address one or more of the following points: (a) whether the proposed information collection is necessary for NARA to properly perform its functions; (b) our estimate of the burden of the proposed information collection and its accuracy; (c) ways we could enhance the quality, utility, and clarity of the information we collect; (d) ways we could minimize the burden on respondents of collecting the information, including through information technology; and (e) whether the collection affects small businesses.

We will summarize any comments you submit and include the summary in our request for OMB approval. All comments will become a matter of public record.

Title: Schedule A and Veterans Recruitment Initiative.

OMB number: 3095–0075.

Agency form number: NA Form 3102, NARA Employment Interest Questionnaire.

Type of review: Regular.

Affected public: Individuals or households.

Estimated number of respondents: 300.

Estimated time per response: 5 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 25 hours.

Abstract: This recruitment initiative connects people who are veterans or are Schedule A-eligible with non-competitive employment opportunities within our agency. The Special Program Placement Coordinator (SPPC) serves as a liaison between the applicant and NARA managers and supervisors to find viable employment opportunities for applicants.

SPPC has developed a Resume Repository (retained in a spreadsheet) to store resumes of qualified individuals who may meet our hiring needs. The Repository helps our agency find highly motivated veterans and Schedule A candidates who are eager to demonstrate their abilities in the workplace through excepted service positions, which could become permanent positions after trial period requirements have been met.

We collect the information for the Repository through an online form, NA Form 3102, NARA Employment Interest Questionnaire, which includes the following information for each individual: Applicant name, email address, phone number, U.S. citizenship

status, past federal employment, referral source, desired work location, types of positions applicant is interested in (may be multiple areas of interest), and minimum starting grade level.

We enter the collected information from the questionnaire into the Repository spreadsheet, which managers and supervisors can use to sort and filter by position(s) of interest and/or duty location. We include resumes and cover letters as a link beside each candidate's entry so managers can view them and consider the candidate when looking for an employee. Managers have unlimited access to the Repository information and resumes to select qualified applicants to fill vacancies through a direct, non-competitive hire.

The Schedule A and veterans recruitment questionnaire link will be listed in our agency's information on the OPM website, in information provided by other agencies and organizations with similar programs, and on various pages of our agency's website at <https://www.archives.gov/>.

Candidates must be U.S. citizens, eligible veterans, or be eligible under the Schedule A hiring authority.

Gulam Shaker,

Executive for Information Services/CIO.
