#### Response of Plaintiff United States to Public Comments on the Proposed Final Judgment

Pursuant to the requirements of the Antitrust Procedures and Penalties Act (the “APPA” or “Tunney Act”), 15 U.S.C. 16(b)–(h), the United States submits this response to the eight public comments received regarding the proposed Final Judgment as to Defendant RealPage, Inc. (Doc. 159–1).<sup>1</sup>

After careful consideration of the submitted comments, the United States continues to believe that the proposed Final Judgment will provide an effective and appropriate remedy for the antitrust violations alleged in the Complaint.<sup>2</sup>

After this Response has been published in the **Federal Register**, pursuant to 15 U.S.C 16(d), the United States will move the Court to enter the proposed Final Judgment. On March 4, 2026 the Court granted the United States’ motion to allow the United States to publish the public comments on the Antitrust Division’s website due to the expense of publishing the comments in the **Federal Register** and the public accessibility of the Division’s website. (Doc. 174.) These comments can be accessed at [www.justice.gov/atr](http://www.justice.gov/atr).

<sup>1</sup> The United States has redacted personally identifiable information from the comments. If the Court requests unredacted versions, the United States will provide unredacted comments under seal.

<sup>2</sup> The Complaint includes a number of claims asserted by co-Plaintiff States. This Response, like other filings that the United States has made under the Tunney Act, focuses only on the United States’ claims in the Complaint, which are the only claims that would be resolved by the proposed Final Judgment, if entered.
