

United States of America, as contemplated by the Intelligence Reform and Terrorism Prevention Act of 2004 (Pub. L. 108-458) and Executive Order 13388 (October 25, 2005).

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Records in this system are stored electronically in a centralized, cloud-based database managed by the U.S. Department of Transportation (DOT).

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

The registration records may be retrieved by the following data elements: Business Name, Business Address, Phone Numbers, Email address, USDOT Number, and Tax Identification Number (including either an Employer Identification Number or a Social Security Number).

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records are maintained and disposed of in accordance with a records schedule pending approval from National Archives and Records Administration. Until approval is received, records will be retained permanently.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Records in this system are safeguarded in accordance with applicable rules and policies, including all applicable DOT automated systems security and access policies. Appropriate controls have been imposed to minimize the risk of compromising the information that is being stored and ensuring confidentiality of communications using tools such as encryption, authentication of sending parties, and compartmentalizing databases; and employing auditing software. The registration system data is encrypted at rest and in transit. Access to records in this system is limited to those individuals who have a need to know the information for the performance of their official duties and who have appropriate clearances or permissions. All personnel with access to data are screened through background investigations commensurate with the level of access required to perform their duties.

RECORD ACCESS PROCEDURES:

Individuals seeking access to and notification of a registration record about themselves contained in this system of records may do so by logging in to the system using the credentials the individual provided when

establishing their registration account in the registration system. To the extent that applicants, and other authorized users designated by the applicant, have direct access to information related to their registration, they are not required to follow the Privacy Act regulations set forth in 49 CFR part 10 when seeking registration records about themselves from this system. If there is information that individuals are seeking about themselves in this system that they do not already have direct access to, they may submit a written request to the System Manager using the address provided under "System Manager" above or submit online via the Department's Public Access Link (PAL) at <https://pal.dot.gov/>. Requests submitted through these electronic channels must include a digital certification of identity.

When seeking records about yourself from this system of records or any other Departmental system of records your request must conform with the Privacy Act regulations set forth in 49 CFR part 10. The individual must verify their identity by providing their full name, current address, and date and place of birth. You must sign your request, and your signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization.

While no specific form is required, you may obtain forms for this purpose from the Chief Freedom of Information Act Officer, <http://www.dot.gov/foia> or 202.366.4542. If an individual believes more than one Departmental component maintains Privacy Act records concerning them, the individual may submit the request to the Departmental Freedom of Information Act Office, U.S. Department of Transportation, Room W94-122, 1200 New Jersey Ave. SE, Washington, DC 20590, ATTN: FOIA request.

In addition, you should provide the following:

- An explanation of why you believe the Department would have information on you;
- Identify which component(s) of the Department you believe may have the information about you;
- Specify when you believe the records would have been created;
- Provide any other information that will help the FOIA staff determine which DOT component agency may have responsive records; and

If an individual seeks records pertaining to another living individual, the requesting individual must include a statement from the second individual certifying their agreement to the

requested access. Without the above information, the Department may not be able to conduct an effective search, and the individual's request may be denied due to lack of specificity or lack of compliance with applicable regulations.

CONTESTING RECORD PROCEDURES:

Individuals seeking to contest any record pertaining to them in this system may contact the System Manager in writing to the address provided under "System Manager." Requests for corrections under the Privacy Act must be submitted in accordance with the procedures in 49 CFR part 10, subpart E, Correction of Records. Additionally, requests for correction must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization.

NOTIFICATION PROCEDURES:

Individuals seeking notification of and access to any record in this system of records or seeking to contest the content of any record pertaining to them in the system may do so by following the procedures described in above "Record Access Procedures" or "Contesting Records".

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

None.

HISTORY:

None.

Issued in Washington, DC.

Karyn Gorman,

Departmental Chief Privacy Officer.
