## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–105377; File No. SR–CboeEDGA–2026–015]

### Self-Regulatory Organizations; Cboe EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Rule Regarding Members and Associated Persons of Members Who Are or Become Subject to a Statutory Disqualification

May 6, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> notice is hereby given that on April 28, 2026, Cboe EDGA Exchange, Inc. (the “Exchange” or “EDGA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGA Exchange, Inc. (the “Exchange” or “EDGA”) proposes to amend its rule regarding Members and associated persons of Members who are or become subject to a statutory disqualification. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Commission’s website (<https://www.sec.gov/rules/>

*sro.shtml*), the Exchange’s website ([https://www.cboe.com/us/equities/regulation/rule\\_filings/bzx/](https://www.cboe.com/us/equities/regulation/rule_filings/bzx/) [sic], and at the principal office of the Exchange.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange is proposing to amend Exchange Rule 2.5, the Exchange’s eligibility proceedings section regarding statutory disqualifications, and adopt Rule 2.13 to conform (with certain exceptions) to rules of the Financial Industry Regulatory Authority, Inc. (“FINRA”)<sup>3</sup> and to industry standard rules.<sup>4</sup> The Exchange’s proposal also includes the proposed Statutory Disqualification Circular (“SD Circular”) that outlines the applicable eligibility procedures. The amended rules would incorporate by reference the procedures in the SD Circular. As further detailed in the SD Circular, the need for a Member to file an application with the Exchange for approval, notwithstanding the disqualification would depend on (i) the type of disqualification; (ii) the date of disqualification; and (iii) whether the firm or individual is seeking admission, readmission or continuation in the securities industry.

By way of background, Section 3(a)(39) of the Act defines the term “statutory disqualification” and the circumstances that can cause a person (either a Member, or a person associated with a Member) to be subject to a statutory disqualification.<sup>5</sup> Absent relief, a statutory disqualification would preclude a Member or person associated

with a Member from certain activities, including membership in a self-regulatory organization (“SRO”).

There is, however, a well-established process through which a Member (or a person associated with a broker-dealer) may continue to operate in the securities industry (and either become a Member of, or continue as a Member of, one or more SROs) despite being subject to a statutory disqualification.<sup>6</sup>

In particular, SEC Rule 19h–1<sup>7</sup> describes several ways an SRO may seek relief for a member (or prospective member) that is subject to a statutory disqualification, including whether an SRO must file a notice with the Commission in order to allow the disqualified firm to become or continue as a member with the SRO (a “19h–1 Notice”).

The existing Rule 2.5(b) provides that if a Member or person associated with a Member that becomes subject to a statutory disqualification under the Exchange Act wants to continue as a Member of the Exchange or in association with a Member, the Member or associated person must, within 30 days of becoming subject to a statutory disqualification, submit a request to the Exchange seeking to continue as a Member or in association with a Member notwithstanding the statutory disqualification. Failure to timely submit such a request may be taken into consideration by the Exchange in determining whether the Exchange may determine not to permit a person to become a Member or person associated with a Member or person associated with a Member in any capacity on the Exchange pursuant to Rule 2.5(a). The existing Rule 2.5(c) provides that the procedural elements for making this request and the Exchange’s review of the request will occur pursuant to Chapter X of the Exchange’s Rulebook.

Currently, FINRA processes statutory disqualification applications on behalf of the Exchange.<sup>8</sup> Notably, having different rules has led to outcomes where FINRA is not required to process an application and/or an applicable 19h–1 Notice under its rules, but the Exchange (or FINRA, acting on the Exchange’s behalf) is required under its existing Rule 2.5. As such, the Exchange proposes to, in large part, conform to
