

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by the individually examined respondents for which they did not know that the merchandise was destined for the United States, we intend to instruct CBP to liquidate those entries at the all-others rate calculated in the investigation if there is no rate for the intermediate company(ies) involved in the transaction.²⁴

For ASAS, for which this review is being rescinded, Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit rate for estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

Commerce intends to issue assessment instructions to CBP regarding the individually examined respondents no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired, *i.e.*, within 90 days of publication.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not covered by this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a

firm covered in this review, or the investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 1.95 percent, the all-others rate established in the investigation, adjusted for the export-subsidy rate in the companion countervailing duty investigation.²⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in written briefs, no later than 120 days after the date of publication of this notice in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(1), 19 CFR 351.213(h)(2), and 19 CFR 351.221(b)(4).

Steel Concrete Reinforcing Bar From Mexico: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2023–2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily finds that Deacero S.A.P.I. de C.V. (Deacero) and I.N.G.E.T.E.K.N.O.S. Estructurales, S.A. de C.V. (Ingetek) (collectively, Deacero Group) sold steel concrete reinforcing bar (rebar) from Mexico at less than normal value during the period of review (POR), November 1, 2023, through October 31, 2024. In addition, we are rescinding the review with respect to three companies. We invite interested parties to comment on these preliminary results.

DATES: Applicable May 12, 2026.

SUPPLEMENTARY INFORMATION:

Background

On November 6, 2014, Commerce published in the **Federal Register** the antidumping duty (AD) order on rebar from Mexico.¹ On November 1, 2024, we published in the **Federal Register** a notice of opportunity to request an administrative review of the Order.² On December 18, 2024, pursuant to section 751(a)(1) of the Tariff Act of 1930, as amended (the Act), Commerce initiated an administrative review of the Order covering four companies.³

On December 9, 2024, Commerce tolled the deadline to issue the preliminary results in administrative reviews for which the opportunity to request the review was published in November or December 2024, by 90 days.⁴ The opportunity notice to request this administrative review was published on November 1, 2024.⁵ On September 22, 2025, we extended the deadline for these preliminary results by 119 days.⁶ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁷ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁸ Accordingly, the deadline for these preliminary results is now May 6, 2026.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁹ A list of topics discussed in the Preliminary Decision Memorandum is attached as Appendix I to this notice. Rescission of Review, In Part

As noted above, we initiated this review with respect to four companies.¹⁰ During the course of the review, we selected one mandatory respondent, which included one of the named companies.¹¹ As a consequence, there are three companies upon which the review was requested and which were not selected for individual examination.

Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no reviewable suspended entries. Based on our analysis of U.S. Customs and Border Protection (CBP) information, three companies listed in the *Initiation Notice* had no entries of subject merchandise during the POR, for all of which no withdrawal requests were submitted. On September 26, 2025, we notified parties of our intent to rescind this administrative review with respect to the three companies that had no reviewable suspended entries during the POR.¹² No party to the proceeding provided comments on our Intent to Rescind Memorandum. As a result, we are rescinding this review, in part, with respect to the three companies which had no entries during the POR.¹³ Accordingly, the companies that remain

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. Export price was calculated in accordance with section 772 of the Act. Normal value was calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following estimated weighted-average dumping margin exists for the period November 1, 2023, through October 31, 2024:

Producer/exporter	Weighted-average dumping margin (percent)
Deacero S.A.P.I. de C.V./ I.N.G.E.T.E.K.N.O.S. Estructurales S.A. ¹⁴ ..	8.45

Verification

Pursuant to 19 CFR 351.307(b)(1)(iv), Commerce intends to verify the questionnaire responses submitted by Deacero Group, because we find that good cause for verification exists.

Public Comment

Interested parties may submit case briefs no later than seven days after the date on which the last verification report is issued in this administrative review.¹⁵ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.¹⁶ Interested parties who submit case briefs or

rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and, (2) a table of authorities.¹⁷

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁸ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²²

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act, upon issuance of the final results, Commerce shall determine, and CBP

shall assess, antidumping duties on all appropriate entries covered by this review. If a respondent's weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent) in the final results of this review, we will calculate importer-specific *ad valorem* AD assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR

351.212(b)(1).²³ If a respondent has not reported entered values, we will calculate a per-unit assessment rate for each importer by dividing the total amount of dumping calculated for the examined sales made to that importer by the total quantity associated with those sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., 0.50 percent). Where either a respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by the respondents for which they did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate entries not reviewed at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.²⁴ Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a).

For the companies for which the administrative review is rescinded, antidumping duties shall be assessed at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in

accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions for the companies listed in Appendix II of this notice to CBP no earlier than 41 days after the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 356.8(a).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of the final results of the administrative review for all shipments of rebar from Mexico entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results, as provided by section 751(a)(2) of the Act: (1) the cash deposit rate for each company listed above will be equal to the dumping margins established in the final results of this review, except if the ultimate rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rates will be zero; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 20.58 percent, the all-others rate established in the LTFV investigation.²⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain crystalline silicon photovoltaic products (solar products) from Taiwan were not made at less than normal value (NV) during the period of review (POR) February 1, 2024, through January 31, 2025. Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On February 18, 2015, Commerce published in the **Federal Register** the antidumping duty (AD) order on solar products from Taiwan.¹ On February 3, 2025, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order* for the POR.² On March 28, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the *Order*.³ On May 8, 2025, Commerce selected EEPV Corp. (EEPV) as the sole mandatory respondent in this administrative review.⁴

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁵ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁶ On January 5, 2026, we extended the preliminary results of

this review by an additional 113 days.⁷ Finally, on April 30, 2026, we extended the preliminary results of this review by an additional seven days.⁸ The deadline for issuing the preliminary results is now May 7, 2026.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act).
