Please include the docket ID number and the title of the information collection request when requesting documents or submitting comments. Please note that comments submitted after the comment period will not be accepted. Written requests for information or comments submitted by postal mail or delivery should be addressed to the Grant Policy Office, U.S. Department of Education, 400 Maryland Ave. SW, LBJ, Room 4B274, Washington, DC 20202.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact John English, john.english@ed.gov.

SUPPLEMENTARY INFORMATION: The Department, in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Department is soliciting comments on the proposed information collection request (ICR) that is described below. The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Build America, Buy America Act (BABAA) Domestic Sourcing Requirements Waiver—United States Department of Education BABAA Waiver Request Form.

OMB Control Number: 1894-0018.

Type of Review: A reinstatement without change of a previously approved ICR.

Respondents/Affected Public: State, Local, and Tribal Governments; Private Sector.

Total Estimated Number of Annual Responses: 47.

Total Estimated Number of Annual Burden Hours: 470.

Abstract: In accordance with section 70914 of the Build America Buy America Act (Pub. L. 117-58 §§ 70901-70953) (BABAA), grantees funded under Department of Education (the Department) programs that allow funds to be used for infrastructure projects (infrastructure programs), *i.e.*, construction and broadband infrastructure, may not use their grant funds for these infrastructure projects or activities unless they comply with the following BABAA sourcing requirements: (1) All iron and steel used in the infrastructure project or activity are produced in the United States, (2) All manufactured products used in the infrastructure project or activity are produced in the United States, and (3) All construction materials are manufactured in the United States.

The Department may, in accordance with sections 70914(b) and (d), 70921(b), 70935, and 70937 of BABAA, and the Office of Management and Budget Memorandum M 22-11, Initial Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure, approve waivers to BABAA sourcing requirements submitted by grantees under programs it has identified as infrastructure programs when it determines that exceptions to these requirements apply. The Department may approve, subject to notice and comment requirements and the Office of Management and Budget Made in America Office (MIAO) review, the types of waivers listed below when one or more of the following conditions are met: (1) Public Interest Waiver—Applying the BABAA sourcing requirement would be inconsistent with the public interest, (2) Non-availability Waiver—The types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality, and (3) Unreasonable Cost Waiver—The inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent.

Ross Santy,

Chief Data Officer, Office of Planning, Evaluation and Policy Development.
