A SLAA is defined in the Library Services and Technology Act (20 U.S.C. 9122(3) and § 9122(4)) as “the official agency of a State charged by the law of the State with the extension and development of public library services through the state. SLAAs are located in each of the 50 States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, and the Republic of Palau.

Under 20 U.S.C. 9134, each state is required to submit a plan that details library services goals for a five-year period, along with associated certifications. Pursuant to 20 U.S.C. 9134(c), each SLAA that receives an IMLS grant under the Grants to States program is required to evaluate and report on all funded project activities to the agency prior to the end of the execution of its five-year plan. Each SLAA receives IMLS funding to support activities for the five-year period through a series of overlapping two-year grant awards. Each SLAA must file interim and final financial reports, and final performance reports for each of these two-year grants through IMLS’s State Program Report (SPR) system. The 60-day Notice was published in the **Federal Register** on March 10, 2026 (91 FR 11578). IMLS received no comments in response to the Notice.
