SUMMARY: The Secretary of Transportation, as represented by MARAD, is authorized to make determinations regarding the coastwise use of foreign built; certain U.S. built; and U.S. and foreign rebuilt vessels that solely carry no more than twelve passengers for hire. MARAD has received such a determination request and is publishing this notice to solicit comments to assist with determining whether the proposed use of the vessel set forth in the request would have an adverse effect on U.S. vessel builders or U.S. coastwise trade businesses that use U.S.-built vessels in those businesses. Information about the requestor's vessel, including a description of the proposed service, is in the **SUPPLEMENTARY INFORMATION** section below.

Title: Securities Offering Disclosure Rules.

OMB Control No.: 1557-0120.

Type of Review: Regular.

Affected Public: Businesses or other for-profit.

Description: Twelve CFR part 16 governs the offer and sale of securities issued by national banks and Federal savings associations. The requirements in part 16 enable the OCC to perform its responsibility to ensure that the investing public has information about the condition of the institution, the reasons for raising new capital, and the terms of the offering. Part 16 requires that securities offering disclosures of national banks and Federal savings associations be generally consistent with similar Securities Exchange Commission (SEC) disclosure requirements.

The principal collections of information in part 16 are as follows:

Form for Registration. Under 12 CFR 16.3(a), a national bank or Federal

savings association offering or selling its own securities to the public is required to make the offer or sale through the use of a prospectus that has been filed with the OCC as part of a registration statement. According to 12 CFR 16.15(a), the registration statement must be on the form for registration (17 CFR part 239) that the national bank or Federal savings association would be eligible to use if it were required to register and file with the SEC and meet the requirements of the SEC regulations referred to in the applicable form for registration. Any registration statement or amendment filed pursuant to part 16 must comply with the requirements of SEC Regulation C (17 CFR part 230, Regulation C—Registration), except to the extent those requirements conflict with specific requirements of part 16. See 12 CFR 16.15(b). Twelve CFR 16.15(d) requires the registration statement for securities issued by a national bank or Federal savings association that is not in compliance with the applicable regulatory capital requirements of 12 CFR part 3 to be on the Form S-1 (17 CFR part 239) registration statement under the Securities Act of 1933 (Securities Act).

Abbreviated Form for Registration.

Under 12 CFR 16.6, a national bank or Federal savings association may be deemed in compliance with certain registration requirements of Part 16 for offers and sales of nonconvertible debt if such debt is offered and sold only to accredited investors meeting the conditions in 12 CFR 16.6. According to 12 CFR 16.6(a)(1), the national bank or Federal savings association must have securities registered under or be a subsidiary of a company that has securities registered under the Securities Exchange Act of 1934 (Exchange Act). Under 12 CFR 16.6(a)(3), the debt must be sold in minimum denominations of \$250,000 and each note or debenture, if issued in certificate form, must be legended to provide that it cannot be exchanged for notes or debentures of the national bank or Federal savings association in smaller denominations. The national bank or Federal savings association must also provide purchasers with specified disclosure information. Under 12 CFR 16.6(b), a federal branch or agency of a foreign bank need not meet the conditions of 12 CFR 16.6(a)(1) if the federal branch or agency provides the OCC the information specified in SEC Rule 12g3-2(b) (17 CFR 240.12g3-2(b)) and provides purchasers the information specified in SEC Rule 144A(d)(4)(i) (17 CFR 230.144A(d)(4)(i)).

Small Issues Registration. A national bank or Federal savings association may

offer and sell securities publicly in a limited dollar amount by using an offering statement meeting the requirements of SEC's Regulation A (17 CFR 230.251 *et seq.*). See 12 CFR 16.8.

Nonpublic Offerings. A national bank or Federal savings association may offer or sell its own securities in a private placement to accredited or sophisticated investors in compliance with 12 CFR 16.7. Under 12 CFR 16.7(a)(1), all the securities must be offered and sold in a transaction satisfying the requirements of SEC Regulation D (17 CFR part 230), subject to certain exceptions. The requirements include general conditions, information requirements, limitations on the manner of offering (advertising), amount limitations, and resale limitations, depending on the specific offering. All subsequent sales subject to the resale limitations of SEC Regulation D must be made pursuant to SEC Rule 144 (persons deemed not to be underwriters), 17 CFR 230.144; SEC Rule 144A (private resales to institutions), 17 CFR 230.144A; another exemption referenced in 12 CFR 16.5; or in accordance with registration and prospectus requirement of 12 CFR 16.3.

Electronic Filing. Pursuant to 12 CFR 16.17(a), all registration statements, offering documents, amendments, notices, or other documents generally must be filed with the OCC's Law Department electronically at <http://www.banknet.gov/>. Documents may be signed electronically using the signature provision in SEC Rule 402 (17 CFR 230.402). All registration statements, offering documents, amendments, notices, or other documents relating to a national bank or Federal savings association in organization must be filed with the appropriate district office of the OCC at <http://www.banknet.gov/>. All registration statements, offering documents, amendments, notices, or other documents relating to a mutual to stock conversion pursuant to 12 CFR part 192 must be filed with the appropriate OCC licensing office at <http://www.banknet.gov/>.

References to SEC Rules. Where part 16 refers to a section of the Securities Act or the Exchange Act or an SEC rule that requires the filing of a notice or other document with the SEC, that notice or other document must be filed with the OCC. See 12 CFR 16.17(c).

Request for Interpretive Advice or No-objection Letter. Under 12 CFR 16.30(a),

any person requesting interpretive advice or a no-objection letter from the OCC with respect to any provision of part 16 shall file a copy of the request, including any supporting attachments, with the OCC's Law Department at the address provided at www.occ.gov. The request shall identify or describe the provisions of part 16 to which the request relates, the participants in the proposed transaction, and the reasons for the request; and include a legal opinion as to each legal issue raised and an accounting opinion as to each accounting issue raised. See 12 CFR 16.30(b)–(c).

Withdrawal or Abandonment. Pursuant to 12 CFR 16.19(a), any registration statement, amendment, or exhibit may be withdrawn prior to the effective date. A withdrawal must be signed and state the grounds upon which it was made. The OCC will not remove any withdrawn document from its files but will mark the document "Withdrawn upon the request of the registrant on (date)."
