

The combat net radio will replace the RT-1523 single channel ground and airborne radio system (SINCGARS). The RT-1523F receiver-transmitter is a core component of the SINCGARS family, providing secure voice and data communication for U.S. military and allied forces. It supports frequency-hopping technology to resist jamming and interception, ensuring reliable communication in contested environments. The RT-1523F is versatile, used in manpack, vehicle-mounted, and base station configurations, making it essential for tactical operations and command and control. Strict export controls and access restrictions protect the RT-1523F from unauthorized use, ensuring its capabilities remain secure and vital to national defense.

The IPS-250X encryptor is a highly sensitive device certified by the NSA to protect classified U.S. Government and military communications. It uses advanced encryption to secure data transmitted over IP networks, ensuring confidentiality and integrity for critical operations. Designed for interoperability, it integrates seamlessly with other secure systems and features anti-tamper protections and secure key management. Strict export controls and access restrictions safeguard the IPS-250X from unauthorized use or compromise, making it a vital tool for protecting national security.

Mounted Assured Positioning, Navigation and Timing System Gen II is a secure, encrypted global positioning system precise positioning service providing users with highly accurate position, navigation and timing data.

The highest level of classification of defense articles, components, and services included in this potential sale is SECRET.

FOR FURTHER INFORMATION CONTACT: Tammy Proctor. Telephone: (202) 260-7803. Email: Tammy.Proctor@ed.gov.

SUPPLEMENTARY INFORMATION:

RTL is designed to: (1) Promote school readiness and academic achievement through the development and dissemination of accessible instructional programming for preschool and elementary school children and their families; (2) develop and disseminate programming and digital content containing Ready to Learn programming that is specially designed for nationwide distribution over public television stations’ digital broadcasting channels and the internet; and (3) Produce educational outreach materials and programs that are designed to deepen and extend the effectiveness of the educational television and interactive media. The FY 2026 competition includes two competitive preference priorities, one invitational priority, selection criteria, and requirements. The competitive preference priorities are: Meaningful

Learning Opportunities and Applications from New Potential Grantees. The invitational priority is: Promoting Evidence-Based Literacy.

Eligible Applicants: To receive funding under this competition, an entity must be a public telecommunications entity that is able to demonstrate—

(a) A capacity for the development and national distribution of educational and instructional television programming of high quality that is accessible by a large majority of disadvantaged preschool and elementary school children;

(b) A capacity to contract with the producers of children’s television programming for the purpose of developing educational television programming of high quality;

(c) A capacity, consistent with the entity’s mission and nonprofit nature, to negotiate such contracts in a manner that returns to the entity an appropriate share of any ancillary income from sales of any program-related products; and

(d) A capacity to localize programming and materials to meet specific State and local needs and to provide educational outreach at the local level.

Program Authority: 20 U.S.C. 7293.

To Apply: The complete funding opportunity announcement and all information needed to apply, including the priority and program requirements, are available on ED’s website at <https://www.ed.gov/grants-and-programs/grants-birth-grade-12/early-learning/ready-learn-programming> and on *Grants.gov* at <https://www.grants.gov/search-results-detail/362348>. BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

Assistance to Foreign Atomic Energy Activities Secretarial Determination

AGENCY: National Nuclear Security Administration (NNSA), Department of Energy (DOE).

ACTION: Notice.

SUMMARY: On April 13, 2026, the Secretary of Energy (Secretary) issued a Determination adding Thailand to the generally authorized destinations list for exports of controlled nuclear technology and assistance under DOE’s regulation on *Assistance to Foreign Atomic Energy Activities*. Accordingly, DOE is publishing this Determination.

FOR FURTHER INFORMATION CONTACT: Mr. Richard Goorevich, Assistant Deputy Administrator, Office of Nonproliferation and Arms Control (NPAC), National Nuclear Security Administration, Department of Energy, 1000 Independence Avenue SW, Washington, DC 20585, telephone (202) 586-6836, richard.goorevich@nnsa.doe.gov; Ms. Christina Pak, Office of the General Counsel, GC-74, Department of Energy, 1000 Independence Avenue SW, Washington, DC 20585, telephone (202) 531-7420, christina.pak@hq.doe.gov; or Mr. Zachary Stern, Office of the General Counsel, National Nuclear Security Administration, Department of Energy, 1000 Independence Avenue SW, Washington, DC 20585, telephone (202) 586-8627, zachary.stern@nnsa.doe.gov.

SUPPLEMENTARY INFORMATION: On April 13, 2026, the Secretary issued a Determination adding Thailand to the generally authorized destinations list for exports of controlled nuclear technology and assistance under DOE’s regulation on *Assistance to Foreign Atomic Energy Activities* at 10 Code of Federal Regulations (CFR) part 810 (Part 810). The text of the Determination is reprinted below. Section 57 b.(2) of the *Atomic Energy Act of 1954* (AEA), as amended (42 U.S.C. 2077(b)(2)), enables peaceful nuclear trade by helping to assure that nuclear technologies exported from the United States will not be used for non-peaceful purposes.

Part 810 implements section 57 b.(2) of the AEA, pursuant to which the Secretary has granted a general authorization for certain categories of activities, which the Secretary has found to be non-inimical to the interest of the United States—including assistance or transfers of certain controlled technology to the “generally authorized destinations” listed in Appendix A to part 810.
