Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction or return of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the destruction or return of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these final results of review and this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 351.221(b)(5).

Dated: May 11, 2026.

Certain Quartz Surface Products From the People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2024-2025

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on certain quartz surface products from the People's Republic of China (China). The period of review (POR) is July 1, 2024, through June 30, 2025.

DATES: Applicable May 14, 2026.

SUPPLEMENTARY INFORMATION:

Background

On June 30, 2025, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the AD order on certain quartz surface products from China.¹ Commerce received a timely request for review of the AD order from Karinastone (Malaysia) Sdn Bhd (Karinastone), an exporter of the subject merchandise.² On August 22, 2025, in accordance with section 751(a) of the Tariff Act of 1930, as amended, (the Act) and 19 CFR 351.221(c)(1)(i), Commerce published the initiation notice in the

Federal Register.³ On September 12, 2025, we notified interested parties that information from U.S. Customs and Border Protection (CBP) indicated that there were no POR entries of the subject merchandise.⁴ Further, on September 22, 2025, we notified interested parties of our intent to rescind this administrative review due to a lack of suspended entries.⁵ We received no comments from interested parties regarding our intent to rescind.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a AD order where it concludes that there are no entries of subject merchandise during the POR for which liquidation is suspended.⁶ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate calculated for the review period.⁷ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated AD assessment rate for the review period.⁸ As noted above, there were no suspended entries of subject merchandise for the company under review during the POR. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review in its entirety, in accordance with 19 CFR 351.213(d)(3).

Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries of subject merchandise. Antidumping duties shall be assessed at

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that producers and/or exporters subject to this administrative review made sales of subject merchandise at less than normal value (NV) during the period of review (POR), June 1, 2024, through May 31, 2025. In addition, we are rescinding the review with respect to 27 companies. Interested

parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On July 25, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on glycine from India.¹ On September 10, 2026, Commerce selected Avid Organics Private Limited (Avid) and Mulji Mehta Enterprises (Mulji Mehta) as the mandatory respondents in this review.² On October 23, 2025, Avid timely withdrew its request for review of itself;³ and DPG timely withdrew its administrative review requests for certain companies identified in the *Initiation Notice*, including Avid.⁴ Further, on December 5, 2025, Paras Intermediates Private Limited timely withdrew its review request for itself.⁵ On December 9, 2025, Commerce selected Medilane Healthcare Private Limited (Medilane), the only other company subject to this review in addition to Mulji Mehta, as an additional mandatory respondent.⁶

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁷ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and

Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁸ On December 22, 2025, Commerce extended the time limit for these preliminary results in accordance with section 751(a)(3)(A).⁹ Accordingly, the deadline for these preliminary results is now May 11, 2026.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.¹⁰ A list of the topics discussed in the Preliminary Decision Memorandum is attached as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Scope of the Order

The merchandise subject to the *Order* is glycine from India. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party who requested a review withdraws its request within 90 days of the date of publication of notice of initiation. As noted above, Commerce received timely-filed withdrawal requests with respect to the companies listed in Appendix II, and no other parties requested an administrative review of these companies. Therefore, we are rescinding this administrative review with respect to these companies, pursuant to 19 CFR 351.213(d)(1).
