BILLING CODE 4410-PB-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Modification Under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA)

On May 12, 2026, the Department of Justice lodged a proposed Consent Decree Modification with the United States District Court for the Western District of Michigan in the lawsuit entitled *United States of America v. Robert Bosch Corp.*, Civil Action No. 1:99-CV-414.

The proposed Modification makes certain changes to a 1999 Consent Decree between the parties. That Decree required the defendant (“Bosch”) to pay a portion of the United States’ response costs incurred responding to the release or threat of release of hazardous substances at the Bendix Corp./Allied Automotive Superfund Site in St. Joseph, Michigan and to perform the remedial action that EPA selected for the Site. The Decree capped Bosch’s liability for reimbursement of EPA’s future oversight costs. The proposed Consent Decree Modification removes the Decree’s cap on Bosch’s future oversight cost liability and recovers a portion of past response costs incurred by EPA at the Site. In return, the United States agrees not to assess stipulated or civil penalties for Bosch’s alleged violations of the Decree.

The publication of this notice opens a period for public comment on the Consent Decree Modification.
