

and 204–4 (17 CFR 275.204–4) under the Investment Advisers Act of 1940 (15 U.S.C. 80b–1 *et seq.*) (“Advisers Act”) by advisers registered with the Commission or applying for registration with the Commission or by exempt reporting advisers filing reports with the Commission. The information collected takes the form of disclosures to the adviser’s clients and potential clients. The purpose of this collection of information is to provide advisory clients, prospective clients, and the Commission with information about the adviser, its business, its conflicts of interest and personnel. Clients and prospective clients use certain of the information to determine whether to hire an adviser and, if hired, how to manage that relationship.

The information collected provides the Commission with knowledge about the adviser, its business, its conflicts of interest and personnel. The Commission uses the information to determine eligibility for registration with the Commission and to manage its regulatory, examination, and enforcement programs. Part 1 of Form ADV contains information used primarily by the Commission staff and Part 2 is the client brochure. Part 3 requires registered investment advisers that offer services to retail investors to prepare and file with the Commission a relationship summary.

The Commission recently updated the data sources and methodology that it generally uses for calculating occupational hourly rates that are used in estimating certain PRA burdens.¹

¹ To calculate the occupational hourly rates, the Commission uses occupational mean hourly wage data from the Occupational Employment and Wage Statistics (“OEWS”) program of the Bureau of Labor Statistics (“BLS”) for “Securities, Commodity Contracts, and Other Financial Investments and Related Activities” (“NAICS 523”); see Occupational Employment and Wage Statistics, U.S. BUREAU OF LABOR STATISTICS, <https://www.bls.gov/oes/>; see also Standard Occupational Classification, U.S. BUREAU OF LABOR STATISTICS, <https://www.bls.gov/soc/> (describing occupational classification system used by BLS); EXEC. OFF. OF THE PRESIDENT, OFF. OF MGMT. & BUDGET, NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (2022), available at https://www.census.gov/naics/reference_files_tools/2022_NAICS_Manual.pdf (describing the industry classification system used by BLS and other agencies); the mean hourly wage for each occupation is adjusted for changes in the seasonally adjusted employment cost index for private wages and salaries between the data reference period and when the data are released by BLS. See Employment Cost Index, U.S. BUREAU OF LABOR STATISTICS, <https://www.bls.gov/eci/>; the adjusted mean hourly wage is then multiplied by a factor that accounts for nonwage costs borne by employers, such as bonuses, benefits, and overhead; this factor is calculated as an average over the 10 most recently available years of data of the ratio of the Bureau of Economic Analysis’s annual gross output data for NAICS 523 to total annual wages

Respondents to this information collection are investment advisers registered with the Commission or applying for registration with the Commission and exempt reporting advisers. Our latest data indicate that there were approximately 16,442 advisers registered with the Commission, 6,389 exempt reporting advisers as of December 31, 2025. The Commission has estimated that the total annual reporting and recordkeeping burden of the collection of information for each respondent is 10.85 hours. Based on this figure, the Commission estimates a total annual burden of 251,851.53 hours for this collection of information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC’s estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to PaperworkReductionAct@sec.gov by July 14, 2026. There will be a second opportunity to comment on this SEC request following the **Federal Register** publishing a 30-Day Submission Notice.
