Moving to Work Amendment to Consolidated Annual Contributions Contract(s).

*OMB Approval Number:* 2577–0294.

*Type of Request:* Renewal of a currently approved collection.

*Form Number:* HUD–50166.

*Description of the need for the information and proposed use:* The proposed Moving to Work (MTW) Amendment to the Annual Contributions Contract(s) (ACC), signed by HUD and the selected public housing agency (PHA), is necessary for HUD to implement the expansion of the MTW program enacted by Congress in the Consolidated Appropriations Act, 2016 (Pub. L. 114–113, approved December 18, 2015) (2016 Appropriation). It establishes the basic terms and conditions that will apply to new PHAs participating in the MTW demonstration and to existing MTW PHAs seeking to now be governed pursuant to the 2016 Appropriation. Specifically, the MTW ACC Amendment amends any ACCs for the public housing or housing choice voucher programs in effect between the PHA and HUD to establish the PHA's designation as an MTW agency and to operate in accordance with the requirements of the MTW demonstration program, as amended by Public Law 114–113. The MTW ACC Amendment establishes the terms of participation in MTW, including the requirement that the PHA follow the MTW Operations Notice and its respective Selection Notice. The PHAs remain subject to the applicable ACCs to the extent that the provisions thereof are not otherwise waived by the Operations Notice or the applicable MTW Selection Notice. Additionally, the MTW ACC

Amendment outlines PHA transition out of the demonstration and HUD termination rights upon PHA default. A

copy of the proposed MTW ACC Amendment is published at the end of this notice.

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

**A. Overview of Information Collection:**

*Title of Information Collection:* Energy and Performance Information Center (EPIC).

*OMB Approval Number:* 2577-0274.

*Type of Request:* Revision of a currently approved collection.

*Form Numbers:* N/A.

*Description of the need for the information and proposed use:* EPIC automates the collection of the Five-Year Plan and Annual Statement/Budget/Performance and Evaluation (P&E) forms from grantees. These required forms were previously collected in hard copy on Forms HUD-50075.1 and HUD-50075.2 under collection OMB control number 2577-0157. These forms collect data on the eventual and actual use of funds. Electronic collection enables the Department to aggregate information about the way grantees use Federal funds. Tracking Federal funds paid through the Public Housing Capital Fund, the only Federal funding stream dedicated to the capital needs of the nation’s last resort housing option, is crucial to understanding how the Department can properly and efficiently assist grantees to meet the Department’s goals in maintaining and improving public housing as a safe, decent, and sustainable housing option for low-income residents. EPIC also automates the collection of signed documents required by 24 CFR 905 to gain access to funds awarded by HUD. These forms are covered under the Public Housing Capital Fund Program, OMB control number 2577-0157. Finally, EPIC allows PHAs to request additional funding sources, such as Operating Funds for Capital Fund-eligible activities. The EPIC data system is equipped to collect Physical Needs Assessment data, should this data be required in the future. EPIC is equipped to collect information about the Energy Performance Contract process, including energy efficiency improvements. EPIC is equipped to track development of public housing with Federal funds and through other means, including mixed-finance development.

*Respondents:* Public Housing Agencies.
