SUPPLEMENTARY INFORMATION:

I. Background

The DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the OMB for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The information requested on the CA-1032 is obtained from each claimant receiving continuing compensation on the periodic disability roll. The form requests information on the claimant's earnings, dependents, third party settlements, and other Federal benefits received. The Office of Workers' Compensation Programs (OWCP) sends this form out each year to every claimant on the disability roll. This information is necessary because the Federal Employees' Compensation Act (FECA) states:

(1) Compensation must be adjusted to reflect a claimant's earnings while in receipt of benefits (5 U.S.C. 8106).

(2) Compensation is payable at the augmented rate of 75 percent only if the claimant has one or more dependents as defined by the FECA (5 U.S.C. 8110).

(3) Compensation may not be paid concurrently with certain benefits from other Federal Agencies, such as the Office of Personnel Management, Social Security, and the Veterans Administration (5 U.S.C. 8116). At times, benefits may be reduced.

(4) Compensation must be adjusted to reflect any settlement from a third party responsible for the injury for which the claimant is being paid compensation (5 U.S.C. 8132).

(5) An individual convicted of any violation related to fraud in the application for, or receipt of, any compensation benefit, forfeits (as of the date of such conviction) any entitlement to such benefits, for any injury occurring on or before the date of conviction (5 U.S.C. 8148 (a)).

(6) No Federal compensation benefit can be paid to any individual for any period during which such individual is incarcerated for any felony conviction (5 U.S.C. 8148 (b)(1)).

In accordance with 20 CFR 10.528, OWCP periodically requires each employee who is receiving compensation benefits to complete an affidavit as to any work, or activity

indicating an ability to work, which the employee has performed for the prior 15 months. If an employee, who is required to file such a report fails to do so within 30 days of the date of the request, his or her right to compensation for wage loss under 5 U.S.C. 8105 or 8106 is suspended until OWCP receives the requested report. At that time, OWCP will reinstate compensation retroactive to the date of suspension if the employee remains entitled to compensation.

II. Desired Focus of Comments

OWCP is soliciting comments concerning the proposed information collection related to the Request for Information on Earnings, Dual Benefits, Dependents and Third Party Settlement. OWCP is particularly interested in comments that:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information has practical utility;
- Evaluate the accuracy of OWCP/DFEC's estimate of the burden related to the information collection, including the validity of the methodology and assumptions used in the estimate;
- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the information collection on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Documents related to this information collection request are available at <https://regulations.gov> and at DOL-OWCP located at 200 Constitution Avenue NW, Room S-3323, Washington, DC 20210. Questions about the information collection requirements may be directed to the person listed in the **FOR FURTHER INFORMATION** section of this notice.
