

involving the Alaska Department of Fish and Game and Alaska Native representatives, that amended the permanent migratory bird subsistence harvest regulations at 50 CFR 92.6 to enable Alaska Native people to sell authentic native articles of handicraft or clothing that contain inedible byproducts from migratory birds that were taken for food during the Alaska migratory bird subsistence harvest season. The sale by Alaska Native people of a limited number of handicrafts containing inedible migratory bird parts provides a small source of additional income that we conclude is necessary for the “essential needs” of Alaska Native people in predominantly rural Alaska. This limited opportunity for sale is consistent with the language of the Protocol and is expressly noted in the Letter of Submittal dated May 20, 1996, for the Treaty Protocol, specifically Article II(4)(b) of the Protocol, to be consistent with the customary and traditional uses of Alaska Native people. The activity by Alaska Native people is also consistent with the preservation and maintenance of migratory bird stocks.

Alaska Native artists will show eligibility with a Tribal enrollment card, Bureau of Indian Affairs card, or membership in the Silver Hand program. The State of Alaska Silver Hand program helps Alaska Native artists promote their work in the marketplace and enables consumers to identify and purchase authentic Alaska Native art. The Silver Hand insignia indicates that the artwork on which it appears is created by hand in Alaska by an individual Alaska Native artist. Only original contemporary and traditional Alaska Native artwork, not reproductions or manufactured work, may be identified and marketed with the Silver Hand insignia. To be eligible for a 2-year Silver Hand permit, an Alaska Native artist must be a full-time resident of Alaska, be at least 18 years old, and provide documentation of membership in a federally recognized Alaska Native tribe. The Silver Hand insignia may only be attached to original work that is produced in the State of Alaska.

The final rule requires that FWS Form 3–2484 (a simple certification which is not subject to the PRA) or a Silver Hand insignia accompany each Alaska Native article of handicraft or clothing that contains inedible migratory bird parts. It also requires all consignees, sellers, and purchasers to retain this documentation with each item and produce it upon the request of a law enforcement officer. The final rule also requires that artists

maintain adequate records of the certification or Silver Hand insignia with each item and requires artists and sellers/consignees to provide the documentation to buyers. These recordkeeping and third-party notification requirements are subject to the PRA and require OMB approval.

The public may request copies of a Form 3–2484 contained in this information collection by sending a request to the Service Information Collection Clearance Officer (see **ADDRESSES**).
