BILLING CODE:P

GENERAL SERVICES ADMINISTRATION

[Notice-Q-2026-01; Docket No. 2026-0002; Sequence No. 4]

Federal Secure Cloud Advisory Committee Notification of Upcoming Meetings for 2026

AGENCY: Federal Acquisition Service (Q), General Services Administration (GSA).

ACTION: Meeting notice.

SUMMARY: As stipulated by the Federal Advisory Committee Act (FACA), as amended, GSA is hereby giving notice of four (4) open public meetings of the Federal Secure Cloud Advisory Committee (FSCAC). Information on attending and providing public comment is under the **SUPPLEMENTARY INFORMATION** section.

DATES: The open public meetings will be held virtually on Monday, June 8, 2026, from 1:00 p.m. to 3:00 p.m., Eastern Time (ET), Monday, July 27, 2026, from 1:00 p.m. to 3:00 p.m., Eastern Time (ET), Monday, August 31, 2026, from 1:00 p.m. to 3:00 p.m., Eastern Time (ET), and Monday, November 2, 2026, from 1:00 p.m. to 3:00 p.m., Eastern Time (ET).

ADDRESSES: The meeting will be streamed live using a streaming platform. Registration is required and will be made available prior to the meeting online at <https://gsa.gov/fscac>, by selecting the “Federal Secure Cloud Advisory Committee meetings” tab on the left, then selecting “Meeting agenda and registration” under each respective meeting date. Upon registration, registrants will receive the webcast information via email before the meeting.

FOR FURTHER INFORMATION CONTACT: Ryan Hoelsing, Designated Federal Officer (DFO), FSCAC, GSA, 202-577-1938, fscac@gsa.gov.

SUPPLEMENTARY INFORMATION:

Background

GSA, in compliance with the FedRAMP Authorization Act of 2022 (the Act), established the FSCAC, a statutory advisory committee in accordance with the provisions of FACA, as amended (5 U.S.C. 10). The Federal Risk and Authorization

Management Program (FedRAMP) within GSA is responsible for providing a standardized, reusable approach to security assessment and authorization for cloud computing products and services that process unclassified information used by agencies.

The FSCAC will provide advice and recommendations to the Administrator of GSA and the FedRAMP Director, the FedRAMP Board, and agencies on technical, financial, programmatic, and operational matters regarding the secure adoption of cloud computing products and services. The FSCAC will ensure effective and ongoing coordination of agency adoption, use, authorization, monitoring, acquisition, and security of cloud computing products and services to enable agency mission and administrative priorities. The purposes of the Committee are:

- To examine the operations of FedRAMP and determine ways that authorization processes can continuously be improved, including the following:
 - Measures to increase agency reuse of FedRAMP authorizations.
 - Proposed actions that can be adopted to reduce the burden, confusion, and cost associated with FedRAMP authorizations for cloud service providers (CSPs).
 - Measures to increase the number of FedRAMP authorizations for cloud computing products and services offered by small businesses concerns (as defined by section 3(a) of the Small Business Act (15 U.S.C. 632(a)).
 - Proposed actions that can be adopted to reduce the burden and cost of FedRAMP authorizations for agencies.
 - Collect information and feedback on agency compliance with, and implementation of, FedRAMP requirements.
 - Serve as a forum that facilitates communication and collaboration among the FedRAMP stakeholder community.
- The FSCAC will meet no fewer than three (3) times a calendar year. Meetings shall occur as frequently as needed, called, and approved by the DFO.

Purpose of the Meeting and Agenda

The June 8, 2026 public meeting will be dedicated to FedRAMP briefing the FSCAC members on programmatic changes that have occurred and have aligned with intended goals of the FSCAC. Additionally, FedRAMP will use the June 8th meeting to set the stage for the work it would like FSCAC to help support over the remainder of 2026. FedRAMP has made significant programmatic changes over the course

of the last year that help reduce the burden, confusion, and cost associated with FedRAMP for cloud service providers (CSPs), opened the door for more small businesses to be able to pursue FedRAMP and as has engaged industry and agencies more than it has in previous years. FedRAMP will brief the FSCAC on how it has tackled these challenges and will call on the FSCAC to support agency adoption and reuse of FedRAMP.

The July 27, 2026 public meeting will be the first public-facing meeting for the FSCAC to advise the GSA Administrator who has delegated FSCAC Authority to the FedRAMP Director on how to ensure a continued increase in reuse and agency adoption of FedRAMP across the federal ecosystem.

The August 31, 2026 public meeting will be the second public-facing meeting for the FSCAC to advise the FedRAMP Director (as delegated by the GSA Administrator) on how to ensure a continued increase in reuse and agency adoption of FedRAMP across the federal ecosystem.

The November 2, 2026 public meeting will be the final public-facing meeting for the FSCAC to advise the FedRAMP Director (as delegated by the GSA Administrator) on how to ensure a continued increase in reuse and agency adoption of FedRAMP across the federal ecosystem and will finalize any potential recommendations to the the FedRAMP Director (as delegated by the GSA Administrator).

Meeting Attendance

This virtual meeting is open to the public. The meeting materials, registration information, and agendas for the meetings will be made available prior to the meetings online at <https://gsa.gov/fscac>, by selecting the “Federal Secure Cloud Advisory Committee meetings” navigation on the left, and then selecting the “Meeting agenda and registration” under each corresponding meeting date. Registration for attending these virtual meetings will be open up until the meeting date and time. After registration, individuals will receive instructions on how to attend the meeting via email.

For information on services for individuals with disabilities, or to request accommodation for a disability, please email the FSCAC staff at FSCAC@gsa.gov at least 10 days prior to the meeting date. Live captioning will be provided virtually using the capabilities provided by the streaming service used for these meetings.

Public Comment

Members of the public attending will have the opportunity to provide oral public comment during each of the 2026 FSCAC meetings. Written public comments can be submitted at any time by completing the public comment form on our website, <https://gsa.gov/fscac>, located under the “Get Involved” section. All written public comments will be provided to FSCAC members in advance of each meeting if received 72 hours prior to the scheduled meeting. Specific times for public comment during each meeting will be posted for each individual meeting under the “Meeting agenda and registration” tab associated with each meeting at <https://gsa.gov/fscac>.

Stephanie Shutt,

Chief of Staff, Federal Acquisition Service,
General Services Administration.

BILLING CODE 6820-34-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-381]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for the public to comment on CMS' intention to collect information from the public. Under the Paperwork Reduction Act of 1995 (PRA), federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information (including each proposed extension or reinstatement of an existing collection of information) and to allow 60 days for public comment on the proposed action. Interested persons are invited to send comments regarding our burden estimates or any other aspect of this collection of information, including the necessity and utility of the proposed information collection for the proper performance of the agency's functions, the accuracy of the estimated burden, ways to enhance the quality, utility, and clarity of the information to be collected, and the use of automated collection techniques or other forms of

information technology to minimize the information collection burden.

DATES: Comments must be received by July 17, 2026.

ADDRESSES: When commenting, please reference the document identifier or OMB control number. To be assured consideration, comments and recommendations must be submitted in any one of the following ways:

1. *Electronically.* You may send your comments electronically to <http://www.regulations.gov>. Follow the instructions for “Comment or Submission” or “More Search Options” to find the information collection document(s) that are accepting comments.

2. *By regular mail.* You may mail written comments to the following address: CMS, Office of Strategic Operations and Regulatory Affairs, Division of Regulations Development, Attention: Document Identifier: __/OMB Control Number: __, Room C4-26-05, 7500 Security Boulevard, Baltimore, Maryland 21244-1850.

To obtain copies of a supporting statement and any related forms for the proposed collection(s) summarized in this notice, please access the CMS PRA website by copying and pasting the following web address into your web browser: <https://www.cms.gov/Regulations-and-Guidance/Legislation/PaperworkReductionActof1995/PRA-Listing>.

FOR FURTHER INFORMATION CONTACT: William N. Parham at (410) 786-4669.

SUPPLEMENTARY INFORMATION:

Contents

This notice sets out a summary of the use and burden associated with the following information collections. More detailed information can be found in each collection's supporting statement and associated materials (see **ADDRESSES**).

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for

approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Medicare Outpatient Physical Therapy/Outpatient Speech Pathology (OPT/OSP) Providers Certification Requirements; *Use:* This is a request for revision of form CMS-381 which is required for initial certification, during the recertification surveys and when the OPT/SLP requests any changes to its locations.

CMS is implementing a program whereby CORF, RHC, OPT/SLP providers and PXR suppliers may recertify every 6 years by self-attesting that they meet the CMS requirements instead of receiving a recertification survey by the State Survey Agencies (SAs). Because of this new program, we have changed the instructions to the CMS-381 form by deleting a reference to recertification surveys and replacing it with a reference to the “recertification attestation process.”

After the start of the self-attestation program, the CMS-381 form will be completed when (1) new OPT/SLP providers enter the Medicare program (initial certification); (2) when existing OPT/OPS providers delete or add a service, or close or add an extension location; or (3) when existing OPT/SLP providers are recertified by the State Survey Agency (SA) through survey or attestation every 6 years.

For deemed OPT/SLP providers under a CMS-approved Accrediting Organization (AO), the CMS-381 will continue to be part of the reaccreditation surveys at least every 36 months. The OPT/SLP providers may render services on their already approved premises and the premises of other institutions (*e.g.*, skilled nursing facilities) or on a premise owned/leased/rented by the OPT/SLP. If the OPT/SLP bills the Medicare program for these services and renders these services in an area within the institution set aside for rehabilitation care, these premises are considered extension locations of the OPT/SLP. However, a patient's home is not considered an extension location.

Extension locations are considered part of the OPT/SLP provider's primary location and are subject to the same approval policy as is applicable to the OPT/SLP primary site. In addition to meeting applicable sections of the conditions of participation for all outpatient physical therapy/speech pathology providers, these extension
