FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0573; FR ID 346720]

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice; request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper

performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

DATES: Written comments should be submitted on or before July 20, 2026. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION: The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

As part of its continuing effort to reduce paperwork burdens, and as required by the PRA of 1995 (44 U.S.C. 3501-3520), the FCC invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

OMB Control Number: 3060-0573.

Title: Application for Franchise Authority Consent to Assignment or

Transfer of Control of Cable Television Franchise, FCC Form 394.

Form Number: FCC Form 394.

Type of Review: Extension of a currently approved collection.

Respondents: Business of other for-profit entities; State, local or Tribal government.

Number of Respondents and Responses: 2,000 respondents; 1,000 responses.

Estimated Time per Response: 1-5 hours.

Frequency of Response: Third Party Disclosure Requirement.

FEDERAL FINANCIAL INSTITUTIONS EXAMINATION COUNCIL

[Docket ID OCC-2026-0562]

Uniform Financial Institutions Rating System

AGENCY: Federal Financial Institutions Examination Council.

ACTION: Notice and request for comment.

SUMMARY: The Federal Financial Institutions Examination Council (FFIEC) is requesting comment on proposed revisions to the Uniform Financial Institutions Rating System (UFIRS), commonly referred to as the CAMELS rating system. The proposal would strengthen the link between CAMELS ratings and a financial institution's safety and soundness by focusing component and composite ratings on factors that materially affect an institution's financial condition and risk profile, and by improving the transparency of CAMELS ratings.
