B. Submitting Comments

The NRC encourages electronic comment submission through the Federal rulemaking website (<https://www.regulations.gov>). Please include Docket ID NRC-2025-1600, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized as follows.

1. *The title of the information collection*: Suspicious Activity Reporting Using the Protective Web Server.
2. *OMB approval number*: 3150-0219.
3. *Type of submission*: Extension.
4. *The form number, if applicable*: Not applicable.

5. *How often the collection is required or requested*: On occasion. Reports to the NRC are made as suspicious activities occur.

6. *Who will be required or asked to respond*: Licensees subject to section 73.1215 of title 10 of the *Code of Federal Regulations* (10 CFR), "Suspicious Activity Reports," paragraphs (d), (e), and (f) must report suspicious activities that are applicable to their facility, material, or shipping activity. Entities that may voluntarily send reports include but are not limited to: applicants for 10 CFR part 50 or 52 licenses; holders of construction permits under 10 CFR part 50; fuel fabrication facilities; uranium conversion/deconversion facilities; and holders of certificates of compliance under 10 CFR part 72.

7. *The estimated number of annual responses*: 65.

8. *The estimated number of annual respondents*: 56.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request*: 72.5.

10. *Abstract*: NRC licensees submit either mandatory or voluntary reports on suspicious activity as these activities occur, based on applicable regulations. Each report provides details about a specific suspicious activity (e.g., suspicious person, manned or unmanned aircraft flyovers) and actions taken by the reporting organization. This information is shared with authorized nuclear industry officials and Federal, State, and local government agencies using the Protected Web Server. Information provided by licensees is considered OFFICIAL USE ONLY and is not made public.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to

properly perform its functions? Does the information have practical utility? Please explain your answer.

2. Is the estimate of the burden of the information collection accurate? Please explain your answer.

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology? *Authority*: 42 U.S.C. 2011 *et seq.*

Dated: May 18, 2026.

For the Nuclear Regulatory Commission.

Heather Dempsey,

Acting NRC Clearance Officer, Office of the Chief Information Officer.
