**DEPARTMENT OF JUSTICE**

**Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act**

On May 18, 2026, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Idaho in the lawsuit entitled *United States v. Diconia, LLC, et. al.*, Civil Action No. 4:25–cv–7–AKB (D. Idaho).

The United States seeks reimbursement of response costs under Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”) concerning the Burley Demolition Asbestos Site (“Site”), located in the City of Burley, Cassia County, Idaho.

Under the Proposed Consent Decree, Brek Pilling (“Settling Defendant”) agrees to pay \$350,000 to reimburse Past Response Costs incurred by the United States Environmental Protection Agency (“EPA”) related to the Site. In exchange, Settling Defendant will receive contribution protection and covenants not to sue under Sections 107(a) and

113 of CERCLA, 42 U.S.C. 9607(a) and 9613, for EPA’s Past Response Costs at the Site.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Diconia, LLC, et. al.*, Civil Action No. 4:25–cv–7–AKB, D.J. Ref. No. 90–11–3–12616. All comments must be submitted no later than thirty (30) days after the publication date of this notice. **AGENCY:** Institute of Museum and Library Services, National Foundation on the Arts and the Humanities.

**ACTION:** Submission for OMB Review, request for comments on this collection of information.

**SUMMARY:** The Institute of Museum and Library Services (IMLS) announces the following information collection has

been submitted to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act. This law helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. This Notice proposes the clearance of the 2026–2028 Grant Performance Report Forms.

A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **FOR FURTHER INFORMATION CONTACT** section of this Notice.

**DATES:** Written comments must be submitted to the office listed in the **ADDRESSES** section below on or before June 21, 2026.

**ADDRESSES:** Written comments and recommendations for proposed information collection requests should be sent within 30 days of publication of this Notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection request by selecting “Institute of Museum and Library Services” under “Currently Under Review;” then check “Only Show ICR for Public Comment” checkbox. Once you have found this information collection request, select “Comment,” and enter or upload your comment and information. Alternatively, please mail your written comments to Office of Information and Regulatory Affairs, Attn.: OMB Desk Officer for Education, Office of Management and Budget, Room 10235, Washington, DC 20503, or call (202) 395–7316.

OMB is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses).
