Disclosure

We intend to disclose the calculations performed for this amended preliminary determination to parties within five days after public announcement or, if there is no public announcement, within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b).

Amended Cash Deposits and Suspension of Liquidation

The collection of cash deposits and suspension of liquidation will be revised according to the rates established in this amended preliminary determination, in accordance with section 773(d) of the Act. Because this amended preliminary determination results in increased cash deposit rates, these rates will be effective on the date of publication of this notice in the **Federal Register**. These suspension of liquidation instructions will remain in effect until further notice.

U.S. International Trade Commission (ITC) Notification

In accordance with section 733(f) of the Act, we intend to notify the ITC of our amended preliminary determination.

Notification to Interested Parties

This amended preliminary determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act, and 19 CFR 351.224(e).

Dated: May 20, 2026.

Christopher Abbott,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Citric Acid and Certain Citrate Salts From Canada and India: Postponement of Preliminary Determinations in the Less-Than-Fair-Value Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable May 26, 2026.

FOR FURTHER INFORMATION CONTACT:

Preston Cox at (240) 956-8630 and Amber Hodak at (202) 482-8034 (Canada), and Bryan Hansen at (202) 482-3683 (India), AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On February 17, 2026, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of citric acid and certain citrate salts from Canada and India.¹ Currently, the preliminary determinations in these LTFV investigations are due no later than June 30, 2026.

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if:

(A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On May 15, 2026, the petitioners² submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations.³ The petitioners stated that they requested postponement “so that Commerce can evaluate fully the initial questionnaire responses submitted by the mandatory respondents, consider any deficiency comments and allegations submitted by Petitioners, and solicit supplemental information as necessary.”⁴

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for issuing the preliminary determinations in these LTFV investigation by 50 days, *i.e.*, 190 days after the date on which these investigation were initiated. As a result, Commerce will issue its preliminary determinations no later than August 19, 2026. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

² The petitioners are Archer-Daniels-Midland Company, Cargill, Incorporated, and Primary Products Ingredients Americas LLC.

SUPPLEMENTARY INFORMATION: The Department, in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Department is soliciting comments on the proposed information collection request (ICR) that is described below. The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Consolidated State Performance Report Renewal (Part 1 and Part 2).

OMB Control Number: 1810-0724.

Type of Review: A revision of a currently approved ICR.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 53.

Total Estimated Number of Annual Burden Hours: 1,405.

Abstract: The Consolidated State Performance Report (CSPR) is the required annual reporting tool for each State, the Bureau of Indian Education, District of Columbia, and Puerto Rico as authorized under Section 8303 of the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA). The CSPR collects data on programs authorized by: Title I, Part A; Title I, Part C; Title I, Part D; Title II, Part A; Title III, Part A; Title IV Part A; Title V, Part A; Title V, Part B, Subparts 1 and 2; and The McKinney-Vento Act. The information in this collection relate to the performance and monitoring activities of the aforementioned programs under ESSA and the

McKinney-Vento Act. These data are needed for reporting on Government Performance and Results Act (GPRA) as well as other reporting requirements under ESSA. This submission is a request to update the currently-approved CSPR collection (OMB 1810-0724) for school years 2025-26, 2026-27, and 2027-28. There are number of substantive changes to the collection since it was last approved. The proposed changes are to remove questions from the collections and combine CSPR I and II into a single CSPR collection. The questions we propose to eliminate include Assessment waivers, Title III, Part A allocation timeline, McKinney-Vento and ARP Homeless, Certification requirement for OME, Postsecondary URLs, Title I, Part D, and Funding Transferability for State and Local Education Agencies. Finally, the last change is combining the CSPR I and II into a single CSPR collection.

Ross Santy,

Chief Data Officer, Office of Planning, Evaluation and Policy Development.
