**Notice of Inventory Completion:
University of Missouri, Museum of
Anthropology, Columbia, MO**

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Missouri, Museum of Anthropology has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after June 29, 2026.

ADDRESSES: Send written requests for repatriation of the human remains in this notice to Dr. Candace Sall, University of Missouri, Museum of Anthropology, 1020 Lowry Street, Columbia, MO 65211, email nagpra@missouri.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of Missouri, Museum of Anthropology, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing at least seven individuals have been identified. No associated funerary objects are present. The individuals described in this notice represent four inventories from unknown locations in Pemiscot County, Missouri, designated as 23PMUNPROV1, 23PMUNPROV3, 23PMUNPROV4, and 23PMUNPROV5. Site 23PMUNPROV1 was donated to the University of Missouri as part of the Barkshire Collection, although the dates of collection and acquisition for all four collections are unknown. The University of Missouri, Museum of Anthropology is not aware of any potentially hazardous substances used to treat human remains from this collection.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about human remains described in this notice.

Determinations

The University of Missouri, Museum of Anthropology has determined that:

- The human remains described in this notice represent the physical remains of seven individuals of Native American ancestry.
- There is a connection between the human remains described in this notice and the Quapaw Nation and The Osage Nation.

Requests for Repatriation

Written requests for repatriation of human remains in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains described in this notice to a requestor may occur on or after June 29, 2026. If competing requests for repatriation are received, the University of Missouri, Museum of Anthropology must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of human remains are considered a single request and not competing requests. The University of Missouri, Museum of Anthropology is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: May 19, 2026.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–1733 (Final)]

**Methylene Diphenyl Diisocyanate (MDI)
From China; Determination**

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of methylene diphenyl diisocyanate (MDI) from China, provided for in subheadings 2929.10.80 and 3909.31.00 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”).^{2 3}

Background

The Commission instituted this investigation effective February 12, 2025, following receipt of a petition filed with the Commission and Commerce by the MDI Fair Trade Coalition consisting of BASF Corporation, Florham Park, New Jersey; and The Dow Chemical Company, Midland, Michigan.

The Commission scheduled the final phase of the investigation following notification of a preliminary determination by Commerce that imports of MDI from China were being sold at LTFV within the meaning of § 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of September 25, 2025 (90 FR 46253).⁴ The Commission conducted its hearing on April 2, 2026. All persons who requested the opportunity were permitted to participate.

The Commission made this determination pursuant to § 735(b) of the Act (19 U.S.C. 1673d(b)). It

¹ The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² 91 FR 18820 (April 13, 2026).

³ Commissioner David S. Johanson voted affirmative based on threat of material injury.

⁴ Due to the lapse in appropriations and ensuing cessation of Commission operations, the Commission tolled its schedule for this proceeding. The schedule was revised in subsequent notices published in the **Federal Register** on Nov. 26, 2025 (90 FR 54367) and on Dec. 15, 2025 (90 FR 58054).
