A person or party who wishes to protest one or more plats of survey identified above must file a written notice of protest with the State Director for Oregon/Washington, Bureau of Land Management, at the address listed in the **ADDRESSES** section of this notice.

The notice of protest must identify the specific plat(s) of survey that the person or party wishes to protest. The notice of protest must be received in the BLM Oregon State Office no later than the scheduled date of the proposed official filing of plat(s) of survey being protested, see the **DATES** section earlier; if received after regular business hours, a notice of protest will be considered filed the next business day. Any notice of protest filed after the scheduled date of official filing will be untimely and will not be considered.

A written statement of reasons in support of the protest, if not filed with the notice of protest, must be filed with the BLM State Director for Oregon/Washington within 30 days after the notice of protest is received.

If a notice of protest against a plat of survey is received prior to the scheduled date of official filing, the official filing of the plat of survey identified in the notice of protest will be stayed pending consideration of the protest. A plat of survey will not be officially filed until the next business day after all timely protests have been dismissed or otherwise resolved.

Before including your address, phone number, email address, or other personal identifying information in a notice of protest, you should be aware that the documents you submit, including your personal identifying information, may be made publicly available in their entirety at any time. While you can ask us to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), New York University, College of Dentistry (NYUCD) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the human remains in this notice may occur on or after June 29, 2026.

**ADDRESSES:** Send written requests for repatriation of the human remains in this notice to Gabriel Friedman, Senior Project Lead, Office of the Provost, New York University, 70 Washington Square

South, New York, NY 10012, email [nagpra@nyu.edu](mailto:nagpra@nyu.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of NYUCD, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

**Abstract of Information Available**

Human remains representing, at least, four individuals (Ancestors) have been identified. No associated funerary objects have been identified. These Ancestors were transferred from the Department of Physical Anthropology, Museum of the American Indian (MAI) to Dr. Theodore Kazimiroff at NYUCD in 1956.

On an unknown date, one Ancestor was removed by an unknown individual from an unknown site near Bogota, Bergen County, New Jersey. In 1925, the Ancestor was accessioned into the collection the MAI. No donor is listed in the records.

In 1906, one individual was removed by an unknown individual from an unknown site near Greenville, Jersey City, New Jersey. No donor is listed in the records. The remains were not catalogued in the ledger of the DPA, MAI, but were transferred to NYUCD from the DPA, MAI with the other Ancestors in 1956.

On an unknown date, one Ancestor was removed from an unknown site near Branchville, Sussex County, New Jersey. In 1904, the individual was donated to the MAI by collector A.A. Getman. The Ancestor was catalogued into the collection of the MAI in 1917. NYUCD has no knowledge or record of the presence of any potentially hazardous substances used to treat any of the human remains.

On an unknown date, one Ancestor was removed by Edwin C. Waters from an unknown site near Cornwall, Orange County, New York. In 1917 the Ancestor was catalogued in the DPA, collection as "Manhasset." NYUCD has no knowledge or record of the presence of any potentially hazardous substances used to treat any of the human remains.

**Cultural Affiliation**

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location and acquisition history of the human remains described in this notice.

**Determinations**

NYUCD has determined that:

- The human remains described in this notice represent the physical remains of four individuals of Native American ancestry.
- There is a connection between the human remains described in this notice and the Delaware Nation, Oklahoma; Delaware Tribe of Indians; and the Stockbridge Munsee Community, Wisconsin.

**Requests for Repatriation**

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

**ADDRESSES.** Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains described in this notice to a requestor may occur on or after June 29, 2026. If competing requests for repatriation are received, NYUCD must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. NYUCD is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

**Abstract of Information Available**

Human remains representing, at least, one individual have been identified. The nine associated funerary objects include ceramic fragments, fired clay fragments, debitage, and flake tools. The individual and associated funerary objects were removed from an unknown location near Eureka Springs in Carroll County, AR by an unknown collector at an unknown date, and donated to the Museum at an unknown date. No known hazardous substances were used to treat the human remains or associated funerary objects.

**Cultural Affiliation**

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

**Determinations**

The University of Missouri, Museum of Anthropology has determined that:

- The human remains described in this notice represent the physical

remains of one individual of Native American ancestry.

- The nine objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between the human remains and associated funerary objects described in this notice and The Osage Nation.

**Requests for Repatriation**

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES.** Requests for repatriation may be submitted by:
