

factor of production (FOP).<sup>7</sup> Commerce’s application of HS 2701.19 when valuing the coal factor of production (FOP) reduced Fufeng’s weighed average dumping margin to 0.00 percent.<sup>8</sup> The CIT sustained Commerce’s final redetermination.<sup>9</sup>

**Timken Notice**

In its decision in *Timken*,<sup>10</sup> as clarified by *Diamond Sawblades*,<sup>11</sup> the

U.S. Court of Appeals for the Federal Circuit held that, pursuant to section 516A(c) and (e) of the Tariff Act of 1930, as amended (the Act), Commerce must publish a notice of court decision that is not “in harmony” with a Commerce determination and must suspend liquidation of entries pending a “conclusive” court decision. The CIT’s May 12, 2026, judgment constitutes a final decision of the CIT that is not in

harmony with Commerce’s *Final Results*. Thus, this notice is published in fulfillment of the publication requirements of *Timken*.

**Amended Final Results**

Because there is now a final court judgment, Commerce is amending its *Final Results* with respect to Fufeng, and Meihua as follows:

Exporter	Weighted-average dumping margin (percent)
Neimenggu Fufeng Biotechnologies Co., Ltd. (aka Inner Mongolia Fufeng Biotechnologies Co., Ltd.)/Shandong Fufeng Fermentation Co., Ltd./Xinjiang Fufeng Biotechnologies Co., Ltd .....	0.00
<b>Non-Individually Examined Companies Receiving a Separate Rate</b>	
Meihua Group International Trading (Hong Kong) Limited/Langfang Meihua Biotechnology Co., Ltd./Xinjiang Meihua Amino Acid Co., Ltd .....	0.00

We note that Jianlong Biotechnology Co., Ltd.’s (formerly, Inner Mongolia Jianlong Biochemical Co., Ltd) (Jianlong), and Deosen Biochemical (Ordos) Ltd.’s, Deosen Biochemical Ltd.’s (collectively, Deosen) rates of 17.36 percent remain unchanged from the *Final Results* as their rates were not subject to litigation.

**Cash Deposit Requirements**

Because Fufeng and Meihua have a superseding cash deposit rate, *i.e.*, there have been final results published in a subsequent administrative review, we will not issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP). This notice will not affect the current cash deposit rate.

**Liquidation of Suspended Entries**

At this time, Commerce remains enjoined by CIT order from liquidating entries that: were exported by Fufeng, and Meihua and were entered, or withdrawn from warehouse, for consumption during the period July 1, 2020, through June 30, 2021. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT’s ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise exported by Fufeng and Meihua in accordance with 19 CFR

351.212(b). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an import-specific *ad valorem* assessment rate is zero or *de minimis*,<sup>12</sup> we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

**Notification to Interested Parties**

This notice is issued and published in accordance with sections 516A(c) and (e) and 777(i)(1) of the Act.

Dated: May 22, 2026.
