

the Day Session. The proposal would address this confusion by clarifying that the transition from Night to Day Session will not be instantaneous, and that a momentary handoff from one Session to the other may be needed during which time outstanding orders from the Night Session will be canceled just prior to 4:00 a.m. ET.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule changes will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to conduct a momentary handoff between its Night and Day Trading Sessions is intended to nor will it adversely impact competition. The duration of the Night-to-Day handoff will be momentary, applicable to all participants, and should not impact participants' ability to compete vis-à-vis one another. To the extent that the proposal does have any adverse competitive impact on participants, the Exchange believes that this impact will be minimal, both because the handoff itself will be of a *de minimis* duration and because the Exchange expects that equity volumes on the Exchange at or around 4:00 a.m. ET will be lower than at other times of the trading day. Moreover, any such impact would be justified by the need to minimize the risks of a disorderly transition occurring between the Exchange's Night and Day Sessions.

The Exchange operates in a highly competitive market in which market Participants can readily choose between competing venues if, as a result of the proposal, they deem participation in the Exchange's market to no longer be desirable or if they do not wish to trade at or around the transition from the Night to the Day Session. Competitors to the Exchange are free to develop or modify the functionality and structure of their markets so that these markets either do not require a handoff at all at or around 4:00 a.m. ET, or require one of a shorter duration. Accordingly, the Exchange believes that the degree to which its proposal imposes any burden on competition is limited.

[OMB Control No. 3235-0202]

### **Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Rule 15c2-11**

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. § 3501 *et seq.*), the Securities and Exchange Commission (SEC or "Commission") is submitting to the Office of Management and Budget (OMB) this request for an extension of the proposed collection of information provided for in Rule 15c2-11 (17 CFR 240.15c2-11) ("Rule"), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 15c2-11 governs the publication of quotations for securities in a quotation medium other than a national securities exchange (*i.e.*, over the counter ("OTC") securities). The Rule is designed to prevent broker-dealers from publishing or submitting quotations for OTC securities that may facilitate a fraudulent or manipulative scheme. Subject to certain exceptions, the Rule prohibits broker-dealers from publishing any quotation for a security or, directly or indirectly, submitting any quotation for publication, in a quotation medium unless they have reviewed specified information concerning the issuer.

<sup>19</sup> 17 CFR 200.30-3(a)(12).

Based on the current structure of the market, the Commission staff believes that the recordkeeping and review requirements under Rule 15c2-11 apply to 196 broker-dealers, one qualified interdealer quotation system (“QIDQS”), and one registered national securities association (“RNSA”). Based on information provided by the Financial Industry Regulatory Authority, Inc. (“FINRA”), the Commission staff understands that in the 2024 calendar year, 266 Form 211 applications were filed to initiate the publication or submission of quotations of OTC securities: 76 of these Forms 211 concerned OTC securities of prospectus issuers, Regulation A (“Reg. A”) issuers, and reporting issuers; 163 concerned OTC securities of “exempt foreign private issuers”; and 27 concerned OTC securities of “catch-all issuers.” The collection of information that is submitted to FINRA for review and approval is currently not available to the public from FINRA. Commission staff estimates that the total annual burden of the information collection requirements prescribed in the Rule is 1,771,343 hours.

The required **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published. One comment was received. The comment requested additional information and was not related to the collection requirement itself or to the estimated burdens.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

The public may view and comment on this information collection request at: [https://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=202604-3235-013](https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202604-3235-013) or email comment to [MBX.OMB.OIRA.SEC\\_desk\\_officer@omb.eop.gov](mailto:MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov) within 30 days of the day after publication of this notice, by July 6, 2026.
