### Scope of the Order

The product covered by the *Order* is aluminum wire and cable from China. For a full description of the scope of the *Order*, see the Issues and Decision Memorandum.

### Analysis of Comments Received

Commerce addressed the issues raised in parties' comments on Commerce's notice of intent to rescind this review in the accompanying Issues and Decision Memorandum. The issues are identified in the appendix to this notice.

### Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes there were no suspended entries of subject merchandise during the POR for an exporter or producer. Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate(s) based on the final results for the review period. Therefore, for an administrative review to be conducted, there must be a suspended entry that Commerce can instruct U.S. Customs and Border Protection to liquidate at the calculated CVD assessment rate for the review period. As explained in detail in the Issues and Decision Memorandum, Tanghenam has no suspended entries of subject merchandise during the POR. Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are rescinding this administrative review in accordance with 19 CFR 351.213(d)(3).

### Cash Deposit Requirements

As Commerce is rescinding this administrative review, cash deposit rates will not change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

<sup>12</sup>See Memorandum, "Issues and Decision Memorandum for the Rescission of the Administrative Review of the Countervailing Duty Order on Aluminum Wire and Cable from the People's Republic of China; 2023," dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

### Assessment

Commerce will instruct CBP to assess countervailing duties on all appropriate entries of subject merchandise. Countervailing duties shall be assessed at rates equal to the cash deposit rate of estimated countervailable duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

### Notification Regarding Administrative Protective Order (APO)

This notice serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of the APO materials, or conversion to judicial protective order is hereby requested. Failure to comply with regulations and terms of an APO is a violation, which is subject to sanction.

### Notification to Interested Parties

This notice is published in accordance with section 751 of the Act and 19 CFR 351.213(d)(4).

Dated: May 28, 2026.

### International Trade Administration [C-433-815]

#### Certain Oil Country Tubular Goods From Austria: Postponement of Preliminary Determination in the Countervailing Duty Investigation

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable June 4, 2026.

**FOR FURTHER INFORMATION CONTACT:** Ian Riggs, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3810.

#### SUPPLEMENTARY INFORMATION:

##### Background

On April 22, 2026, the U.S. Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of certain oil country tubular goods (OCTG) from Austria.<sup>1</sup> Currently, the preliminary determination is due no later than June 26, 2026.

##### Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires that Commerce issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner<sup>2</sup> makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless

<sup>1</sup> See *Certain Oil Country Tubular Goods from Austria: Initiation of Countervailing Duty Investigation*, 91 FR 22790 (April 28, 2026).

<sup>2</sup> The petitioners are the U.S. OCTG Manufacturers Association, United States Steel Corporation, and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO, CLC.

it finds compelling reasons to deny the request.

On May 18, 2026, the petitioners submitted a timely request that Commerce postpone the preliminary CVD determination.<sup>3</sup> The petitioners stated that they request postponement because they “will not have an adequate opportunity to review the questionnaire responses of respondents and submit any necessary rebuttal factual information, and Commerce will not have adequate time to review the data provided in the questionnaire responses and issue supplemental questionnaires prior to its issuance of a preliminary determination.”<sup>4</sup> The petitioners also note that Commerce has not yet received the respondent’s initial questionnaire response.

In accordance with 19 CFR 351.205(e), the petitioners have stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*, August 31, 2026.<sup>5</sup> Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: June 1, 2026.

<sup>3</sup> See Petitioners’ Letter, “Request to Extend the Deadline for the Preliminary Determination,” dated May 18, 2026.

<sup>4</sup> *Id.* at 2.

<sup>5</sup> Postponing the preliminary determination to 130 days after initiation would place the deadline on Sunday, August 30, 2026. Commerce’s practice dictates that where a deadline falls on a weekend, the appropriate deadline is the next business day. See *Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).
