

a person who requires a reasonable accommodation, please make requests in advance for sign language interpretation, assistive listening devices, or other reasonable accommodation to stephanie.shaw@nist.gov no later than 5:00 p.m. on Monday, June 8, 2026, so appropriate arrangements can be made. Determinations for reasonable accommodation will be made on a case-by-case basis.

Meeting Cancellation

If the meeting is cancelled, a cancellation notice will be posted on the NIST website at <http://www.nist.gov/director/vcat/agenda.cfm>.

Closure Determination

The Acting Deputy Assistant Secretary of Administration, performing the non-exclusive functions and duties of the Chief Financial Officer and Assistant Secretary for Administration, formally determined pursuant to 5 U.S.C. 552b(c)(9)(B), that the portion of the meeting dealing with NIST's organizational policy, current and future budgets, and related programmatic prioritization approaches, shall be exempt from the provisions relating to public meetings found in 5 U.S.C. 1009(a)(1) and 5 U.S.C 1009(a)(3). The remaining portions of the meeting will be open to the public.

Alicia Chambers,

NIST Executive Secretariat.

BILLING CODE 3510-13-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[RTID 0648-XF788]

Nominations to the Marine Mammal Scientific Review Groups

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; request for nominations.

SUMMARY: As required by the Marine Mammal Protection Act (MMPA), the Secretary of Commerce established three independent regional scientific review groups (SRGs) to provide advice on a range of marine mammal science issues. NMFS conducted a membership review of the Alaska, Atlantic, and Pacific SRGs, and is soliciting nominations for new members to fill vacancies.

DATES: Nominations must be received July 6, 2026.

ADDRESSES: Nominations can be emailed to Zachary.Schakner@noaa.gov, Assessment Branch, Office of Science and Technology, National Marine Fisheries Service, Attn: SRGs. Information about the SRGs, including the SRG Terms of Reference, is available at <https://www.fisheries.noaa.gov/national/marine-mammal-protection/scientific-review-groups>.

FOR FURTHER INFORMATION CONTACT: Dr. Zachary Schakner, Office of Science and Technology, 301-427-8106, Zachary.Schakner@noaa.gov.

SUPPLEMENTARY INFORMATION: Section 117(d) of the MMPA (16 U.S.C. 1386(d)) directs the Secretary of Commerce to establish three independent regional SRGs to advise the Secretary (authority delegated to NMFS). The Alaska SRG advises on marine mammals that occur in waters off Alaska that are under the jurisdiction of the United States. The Pacific SRG advises on marine mammals that occur in waters off the U.S. West Coast, Hawaiian Islands, and the U.S. Territories in the Central and Western Pacific that are under the jurisdiction of the United States. The Atlantic SRG advises on marine mammals that occur in waters off the Atlantic coast, Gulf of Mexico, and U.S. Territories in the Caribbean.

SRG members are highly qualified individuals with expertise in marine mammal biology and ecology, population dynamics and modeling, commercial fishing technology and practices, and stocks taken under section 101(b) of the MMPA. The SRGs provide expert reviews of draft marine mammal stock assessment reports and other information related to the matters identified in section 117(d)(1) of the MMPA, including:

A. Population estimates and the population status and trends of marine mammal stocks;

B. Uncertainties and research needed regarding stock separation, abundance, or trends, and factors affecting the distribution, size, or productivity of the stock;

C. Uncertainties and research needed regarding the species, number, ages, gender, and reproductive status of marine mammals;

D. Research needed to identify modifications in fishing gear and practices likely to reduce the incidental mortality and serious injury of marine mammals in commercial fishing operations;

E. The actual, expected, or potential impacts of habitat destruction, including marine pollution and natural environmental change, on specific marine mammal species or stocks, and

for strategic stocks, appropriate conservation or management measures to alleviate any such impacts; and

F. Any other issue which the Secretary or the groups consider appropriate.

SRG members collectively serve as independent advisors to NMFS and the U.S. Fish and Wildlife Service and provide their expert review and recommendations through participation in the SRG. Members attend annual meetings and undertake activities as independent persons providing expertise in their subject areas. Members are not appointed as representatives of professional organizations or particular stakeholder groups, including government entities, and are not permitted to represent or advocate for those organizations, groups, or entities during SRG meetings, discussions, and deliberations.

SRG membership is voluntary, and, except for reimbursable travel and related expenses, service is without pay. The term of service for SRG members is 3 years, and members may serve up to three consecutive terms if reappointed.

NMFS annually reviews the expertise available on the SRG and identifies gaps in the expertise that is needed to provide advice pursuant to section 117(d) of the MMPA. In conducting the reviews, NMFS attempts to achieve, to the maximum extent practicable, a balanced representation of viewpoints among the individuals on each SRG.

Submitting a Nomination

Nominations for new members should be sent to Dr. Zachary Schakner in the NMFS Office of Science & Technology (see **ADDRESSES**) and must be received by July 6, 2026. Nominations should be accompanied by the individual's curriculum vitae and detailed information regarding how the recommended person meets the minimum selection criteria for SRG members (see below). Nominations should also include the nominee's name, address, telephone number, and email address. Self-nominations are acceptable.

Selection Criteria

Although the MMPA does not explicitly prohibit Federal employees from serving as SRG members, NMFS interprets MMPA section 117(d)'s reference to the SRGs as "independent" bodies that are exempt from Federal Advisory Committee Act requirements to mean that SRGs are intended to augment existing Federal expertise and are not composed of Federal employees or contractors.

When reviewing nominations, NMFS, in consultation with the U.S. Fish and Wildlife Service, will consider the following six criteria:

- (1) Ability to make time available for the purposes of the SRG;
- (2) Knowledge of the species (or closely related species) of marine mammals in the SRG's region;
- (3) Scientific or technical achievement in a relevant discipline, particularly the areas of expertise identified above, and the ability to serve as an expert peer reviewer for the topic;
- (4) Demonstrated experience working effectively on teams;
- (5) Expertise relevant to current and expected needs of the SRG, in particular, expertise required to provide adequate review and knowledgeable feedback on current or developing stock assessment issues, techniques, *etc.* In practice, this means that each member should have expertise in more than one topic as the species and scientific issues discussed in SRG meetings are diverse; and
- (6) No conflict of interest with respect to their duties as a member of the SRG.

Next Steps

Following review, nominees who are identified by NMFS as potential new members must be vetted and cleared in accordance with Department of Commerce policy. NMFS will contact these individuals and ask them to provide written confirmation that they are not registered Federal lobbyists or registered foreign agents, and to complete a confidential financial disclosure form. All nominees will be notified of a selection decision in advance of the 2027 SRG meetings.

Dated: June 2, 2026.

Howard Townsend,

Acting Director, Office of Science and Technology, National Marine Fisheries Service.

DEPARTMENT OF DEFENSE

Department of the Army

Notice of Intended Disinterment From Carlisle Barracks Post Cemetery; Correction

AGENCY: Department of the Army, DoD.

ACTION: Notice of intended disinterment; correction.

SUMMARY: This document corrects the previous notice published in the **Federal Register** on May 28, 2026. The notice respectfully corrects the name of

one student from Susie Davis to Susie King.

DATES: The Army intends to begin disinterment activities on September 1, 2026. Transportation to and Reinterment in private cemeteries will take place as soon as practical after the disinterment. If other living relatives object to the disinterment of these remains, please provide written objection to MAJ Oluwaseun Adedeji at the email addresses listed below prior to July 1st, 2026. Such objections may delay the disinterment for the decedent in question.

ADDRESSES: Public comments or objections may be mailed to MAJ Oluwaseun Adedeji, OAC Project Manager, 1 Memorial Avenue, Arlington, VA 22211 or emailed to usarmy.pentagon.hqda-anc-osa.mbx.carlisle-barracks-operations@army.mil (preferred).

FOR FURTHER INFORMATION CONTACT: MAJ Oluwaseun Adedeji, OAC Project Manager at (703) 517-6545 or the email address listed above.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of May 28, 2026, in FR Doc. 2026-10609, on page 31708, in the first column, correct the **SUMMARY** caption to read:

SUMMARY: The Office of Army Cemeteries (OAC) is honoring the requests of the family members and Native American Tribes to disinter the human remains of twelve Native American students from the Carlisle Barracks Post Cemetery, Carlisle, Pennsylvania. The decedent names are: Alaska Natives Mabel Stock, Edward Angalook, Lucy Spaulding, and Tummassak (Tomicock); Peter Howe, Richard Morgan, and Christine Redstone from the Fort Peck Tribes; Frances Bones from the Comanche Nation, Fannie Gibson from the Absentee Shawnee Tribe; Della Atkins from the Shoshone Paiute Tribes; Susie King from the Grand Traverse Band of Ottawa and Chippewa Indians; Margaret Davis from the Keewenaw Bay Indian Community. These students died between 1879 and 1918 while attending the Carlisle Indian Industrial School.

James W. Satterwhite Jr.,

Army Federal Register Liaison Officer.

BILLING CODE 3711-02-P

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Notice of Availability of the Record of Decision for the Final Environmental Impact Statement for the Dakota Access Pipeline, Lake Oahe Crossing, North Dakota

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice.

SUMMARY: The U.S. Army Corps of Engineers (USACE) announces the availability of the Record of Decision (ROD) for the Final Environmental Impact Statement (EIS) for the Dakota Access Pipeline, Lake Oahe Crossing, North Dakota. The availability of the Final EIS was published in the **Federal Register** on Friday, December 19, 2025.

ADDRESSES: U.S. Army Corps of Engineers, Omaha District, 1616 Capitol Avenue, Suite 9000, Omaha, Nebraska 68102, The ROD is available for viewing on the USACE Omaha District website at: <https://www.nwo.usace.army.mil/Missions/Dam-and-Lake-Projects/Oil-and-Gas-Development/Dakota-Access-Pipeline/>.

FOR FURTHER INFORMATION CONTACT: Brent Cossette, U.S. Army Corps of Engineers at (402) 995-2716 or by email at brent.j.cossette@usace.army.mil.

SUPPLEMENTARY INFORMATION: The EIS was prepared for this project under the authority of the National Environmental Policy Act (42 U.S.C. 4321, *et seq.*). Following completion of the Final Environmental Impact Statement and the required waiting period, the U.S. Army Corps of Engineers signed a Record of Decision selecting an alternative that grants an easement with additional conditions for the Dakota Access Pipeline crossing beneath Lake Oahe. This Notice of Availability is published pursuant to the Department of Defense National Environmental Policy Act Implementing Procedures.

William C. Hannan,

Brigadier General, U.S. Army, Division Commander.
