#### Abstract of Proposed Collection

The information requested will be used to support entry of the name of a minor (an unmarried, unemancipated person under 18 years of age) into the Children's Passport Issuance Alert Program (CPIAP). CPIAP provides a mechanism for legal parents or other persons with legal custody of a minor to obtain information regarding whether the Department has received a passport application for the minor. This program was developed as a means to prevent international parental child abduction and to help prevent other travel of a minor without the consent of a legal

parent or legal guardian. If a minor's name and other identifying information has been entered into the CPIAP, when the Department receives an application for a new, replacement, or renewed passport for the minor, the application may be placed on hold for up to 90 days and the Office of Children's Issues may attempt to notify the requestor of receipt of the application. Form DS-3077 will be primarily submitted by a legal parent or legal guardian of a minor. This collection is authorized by 22 CFR 51.28, which is the regulation that implements the statutory two-parent consent requirement and prescribes the bases for an exception to the requirement.

#### Changes Since Last Renewal

- Section 2 of the DS-3077, documentation of Parentage, Guardianship, Legal Custody OR Authority to Act on Behalf of a Parent or Legal Guardian, as applicable: Option to select Consular Report of Birth (CRBA) deleted. 2023 88 FR 41024 (22 CFR 51.28 revision) removed the CRBA as evidence, by itself, of a parental relationship, sole parentage, and/or custody.
- The Privacy Act Statement was shortened and edited for plain language.
- The updated DS-3077 fillable form will now allow the requester an e-signature option to type their name in the signature box in lieu of an ink signature in part 3 of DS-3077.
- Eliminate references to transmittal by fax.
- Allow for a web-based version to exist for online submissions.

#### Methodology

The completed Form DS-3077 can be filled out online and printed or completed by hand. The form must be manually signed and submitted to the Office of Children's Issues by email or mail with supporting documentation. Retyping the signer's name using a digital device is as acceptable as signing with pen and paper.

#### Response to Public Comments

There was one public comment in response to the 60 day notice. The commenter expressed a preference for an exception to personal appearance of a minor passport applicant which is not a requirement of the DS-3077 information collection.
