

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material(s)/ component(s) and specific finished product(s) described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via www.trade.gov/ftz.

The proposed finished products include: subsea production tree assemblies; subsea tubing head spool assemblies; tubing hanger assemblies; tree protection cap assemblies; pressure cap assemblies; tree bore protector assemblies; debris cap assemblies; outboard hub assemblies; and subsea control module assemblies (duty rates range from duty-free to 5.6%).

The proposed foreign-status materials/components include: accumulator cylinders; replaceable chokes; connector clamp assemblies; tree debris caps; tubing hanger electrical penetrators; stainless steel gaskets; inboard hub sub-assemblies; carbon steel valves; steel structure weldments; tree internal protection caps; tree tubing hangers; wireline plugs; and tree base configurations (duty rates range from duty-free to 5.6%).

The request indicates that certain materials/components are subject to duties under section 122 of the Trade Act of 1974 (Section 122), section 232 of the Trade Expansion Act of 1962 (section 232), or section 301 of the Trade Act of 1974 (section 301), depending on the country of origin. The applicable section 122, section 232, and section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is July 15, 2026.

A copy of the notification will be available for public inspection in the "Online FTZ Information System" section of the Board's website.

Foreign-Trade Zones Board

[S-214-2026]

Approval of Subzone Status; Shiseido America, Inc.; Cranbury and East Windsor, New Jersey

On April 15, 2026, the Executive Secretary of the Foreign-Trade Zones (FTZ) Board docketed an application submitted by the County of Mercer, grantee of FTZ 200, requesting subzone status subject to the existing activation limit of FTZ 200, on behalf of Shiseido America, Inc., in Cranbury and East Windsor, New Jersey.

The application was processed in accordance with the FTZ Act and Regulations, including notice in the **Federal Register** inviting public comment (91 FR 20972, April 20, 2026). The FTZ staff examiner reviewed the application and determined that it meets the criteria for approval. Pursuant to the authority delegated to the FTZ Board Executive Secretary (15 CFR 400.36(f)), the application to establish Subzone 200D was approved on June 2, 2026, subject to the FTZ Act and the Board's regulations, including section 400.13, and further subject to FTZ 200's 2,000-acre activation limit.

Dated: June 2, 2026.

Elizabeth Whiteman,
Executive Secretary.
