

made in a prohibited off-the-record communication and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication shall serve the document on all parties listed on the

official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications are included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e) (1) (v).

The following is a list of off-the-record communications recently

received by the Secretary of the Commission. Each filing may be viewed on the Commission’s website at <http://www.ferc.gov> using the eLibrary link. Enter the docket number, excluding the last three digits, in the docket number field to access the document. Commenters can submit brief comments up to 10,000 characters, without prior registration, using the eComment system at <https://ferconline.ferc.gov/QuickComment.aspx>. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov, (866) 208–3676 (toll free), or (202) 502–8659 (TTY). In lieu of electronic filing, you may submit a paper copy. Submissions sent via the U.S. Postal Service must be addressed to: Debbie Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Room 1A, Washington, DC 20426. Submissions sent via any other carrier must be addressed to: Debbie-Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 12225 Wilkins Avenue, Rockville, MD 20852. All filings must clearly identify the project name and docket number on the first page: Skagit River Hydroelectric Project (P–553–244).

The Commission’s Rules of Practice require all intervenors filing documents with the Commission to serve a copy of that document on each person on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must

also serve a copy of the document on that resource agency.

k. City Light filed an Offer of Settlement Agreement for the project’s relicense proceeding, on behalf of itself; the National Marine Fisheries Service, National Park Service, U.S. Fish and Wildlife Service, U.S. Forest Service, Bureau of Indian Affairs, Washington Department of Ecology, Washington Department of Fish and Wildlife, Sauk-Suiattle Indian Tribe, Swinomish Indian Tribal Community, Upper Skagit Indian Tribe, Skagit County, Washington, Trout Unlimited, American Whitewater, North Cascades Institute, and the Skagit Fisheries Enhancement Group. The purpose of the Settlement Agreement is to resolve among the parties all issues that have or could reasonably have been raised by the parties in connection with the continued operation and maintenance of the project under a new license regarding fish passage, instream flows, water quality, fish and wildlife habitat, flood risk management, recreation, cultural resources, and terrestrial resources. City Light, on behalf of the signatories, requests that the Commission approve the Settlement Agreement and issue a new 50-year license for the project that incorporates, without material modification, proposed license articles set forth in Appendix 1 to the Settlement Agreement.

l. A copy of the Settlement Agreement is available for review on the Commission’s website at <http://www.ferc.gov> using the “eLibrary” link.
