The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:**

*Background.*—On March 6, 2026, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews should proceed (91 FR 13335, March, 19, 2026); accordingly, full reviews are being scheduled pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)). A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements are available from the Office of the Secretary and at the Commission's website.

*Participation in the reviews and public service list.*—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission's notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

*Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.*—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

*Staff report.*—The prehearing staff report in the reviews will be placed in the nonpublic record on September 22, 2026, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

*Hearing.*—The Commission will hold an in-person hearing in connection with the reviews beginning at 9:30 a.m. on October 6, 2026. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before 5:15 p.m. on October 1, 2026. Any requests to appear as a witness via videoconference must be included with your request to appear. Requests to appear via videoconference must include a statement explaining why the witness cannot appear in person; the Chairman, or other person designated to conduct the reviews, may in their discretion for good cause shown, grant such a request. Requests to appear as remote witness due to illness or a positive COVID–19 test result may be submitted by 3 p.m. the business day prior to the hearing. Further information about participation in the hearing will be posted on the Commission's website at <https://www.usitc.gov/calendarpad/calendar.html>.

A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference, if deemed necessary, to be held at 9:30 a.m. on October 5, 2026. Parties shall file and serve written testimony and presentation slides in connection with their presentation at the hearing by no later than noon on October 5, 2026. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

*Written submissions.*—Each party to the reviews may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.65 of the Commission's rules; the deadline for filing is 5:15 p.m. on September 29, 2026. Parties shall also file written testimony in connection with their presentation at the hearing, and posthearing briefs, which must conform with the provisions of section 207.67 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the

Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

The Commission has determined that these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

*Authority:* These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: June 3, 2026.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1740 (Final)]

### Multifunctional Acrylate and Methacrylate Monomers and Oligomers From South Korea; Supplemental Schedule for the Final Phase of the Investigation

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**DATES:** May 27, 2026.

**FOR FURTHER INFORMATION CONTACT:**

Junie Joseph ((202) 205-3363), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on (202) 205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at (202) 205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for

this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:** Effective August 25, 2025, the Commission established a general schedule for the conduct of the final phase of its investigations on multifunctional acrylate and methacrylate monomers and oligomers ("MAMMOs") from South Korea and Taiwan (90 FR 42984, September 5, 2025) following a preliminary determination by the U.S. Department of Commerce ("Commerce") that imports of MAMMOs from Taiwan were being subsidized by the government of Taiwan (90 FR 42184, August 29, 2025). Commerce subsequently published its preliminary determination that imports of MAMMOs from Taiwan were being sold in the United States at less than fair value ("LTFV") (90 FR 43409, September 9, 2025). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on September 5, 2025 (90 FR 42984, September 5, 2025). All persons who requested the opportunity were permitted to participate. Due to the lapse in appropriations and ensuing cessation of Commission operations, the Commission revised its schedule effective November 25, 2025 (90 FR 55175, December 1, 2025). Due to the additional tolling of 21 days by Commerce, the Commission again revised its schedule effective December 11, 2025 (90 FR 58307, December 16, 2025).

On January 26, 2026, Commerce published in the **Federal Register** its final affirmative countervailing duty determination with respect to MAMMOs from Taiwan (91 FR 3114, January 26, 2026) and on February 3, 2026, Commerce published in the **Federal Register** its final affirmative antidumping duty determination with respect to MAMMOs from Taiwan (91 FR 4866, February 3, 2026). The Commission subsequently issued its final determinations that an industry in the United States was materially injured by reason of imports of MAMMOs from Taiwan that were found by Commerce to be sold in the United States at LTFV and subsidized by the government of Taiwan (91 FR 11337, March 9, 2026).

On January 5, 2026, Commerce published in the **Federal Register** its preliminary affirmative determination of

sales at LTFV with respect to imports of MAMMOs from South Korea (91 FR 244, January 5, 2026, as amended in 91 FR 5429, February 6, 2026). On May 27, 2026, Commerce published in the **Federal Register** its final affirmative antidumping duty determination with respect to imports of MAMMOs from South Korea (91 FR 31415, May 27, 2026). Accordingly, the Commission currently is issuing a supplemental schedule for the final phase of its antidumping duty investigation on imports of MAMMOs from South Korea.

This supplemental schedule is as follows: the deadline for filing supplemental party comments on Commerce's final antidumping duty determination with respect to MAMMOs from South Korea is 5:15 p.m. on June 3, 2026. Supplemental party comments may address only Commerce's final determination regarding imports of MAMMOs from South Korea. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in the final phase of this proceeding will be placed in the nonpublic record on June 17, 2026, and a public version will be issued thereafter.

For further information concerning this proceeding see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.
