

analysis of variations in immigration status and the consequent reasonable expectations as to a consumer's ability to repay a loan through expected income from U.S.-based employment. Rather, the Bureau reminds creditors when future changes in borrower income must be considered under Regulation Z. Regulation Z enables lenders to make these judgments by affirming their ability to lawfully consider the consumer's immigration status, lawful presence, authorization to work, and other factors that may indicate risk of removal insofar as it bears on their current or reasonably expected income from U.S.-based employment.

### III. Regulatory Matters

As guidance, this statement does not have the force or effect of law. It has no legally binding effect, including on persons or entities outside the Federal Government.

The Office of Information and Regulatory Affairs (OIRA) within the Office of Management and Budget (OMB) has determined that this action is a "significant regulatory action" under E.O. 12866. Accordingly, OMB has reviewed this action.

In an abundance of caution, pursuant to the Congressional Review Act,<sup>25</sup> the Bureau will submit a report containing this statement and other required information to the United States Senate, the United States House of Representatives, and the Comptroller General of the United States prior to the statement taking effect. OIRA has designated this statement as not a "major rule" as defined by 5 U.S.C. 804(2).

The Bureau has determined that this statement does not contain any new or substantively revised information collection requirements that would require approval by OMB under the Paperwork Reduction Act.<sup>26</sup>

Transmittal No. 26-0H

REPORT OF ENHANCEMENT OR UPGRADE OF SENSITIVITY OF TECHNOLOGY OR CAPABILITY (SEC. 36(B)(5)(C), AECA)

(i) (U) *Prospective Purchaser:* Government of Lebanon

(ii) (U) *Sec. 36(b)(1), AECA Transmittal No.:* 20-30

Date: December 1, 2020

Implementing Agency: Army

Funding Source: Foreign Military Financing

(iii) (U) *Description:* On December 1, 2020, Congress was notified by congressional certification transmittal number 20-30 of the possible sale, under Section 36(b)(1) of the Arms Export Control Act of up to three hundred (300) M1152 High Mobility Multi-Purpose Wheeled Vehicles (HMMWVs) (two purchases of one hundred fifty (150) each). Also included were spare and repair parts; publications and technical documentation; personnel training and training equipment; technical and logistics support services; and other related elements of logistical and program support. The estimated total value was \$55.5 million. Major defense equipment (MDE) constituted \$40 million of this total.

This transmittal notifies the addition of the following MDE items: one thousand (1,000) M1152 HMMWVs. The

following non-MDE items will also be included: spare and repair parts; publications and technical documentation; personnel training and training equipment; technical and logistics support services; and other related elements of program and logistics support. The estimated total value of the new items is \$300 million. The estimated MDE value will increase by \$254.5 million to a revised \$294.5 million. The estimated non-MDE value will increase by \$45.5 million to a revised \$61 million. The estimated total case value will increase by \$300 million to a revised \$355.5 million. MDE constitutes \$294.5 million of this total.

(iv) (U) *Significance:* This notification accounts for requested additional MDE and non-MDE items not included in the original notification. The inclusion of this MDE represents an increase in capability over what was previously notified. The proposed articles and/or services will support Lebanon's capability to meet current and future threats by improving its ability to move troops and supplies around the country to counter violent extremist organizations.

(v) (U) *Justification:* This proposed sale will support the foreign policy and national security of the United States by improving the security of a partner country that continues to be an important force for political stability and economic progress in the Middle East.

(vi) (U) *Sensitivity of Technology:*

The Sensitivity of Technology Statement contained in the original notification applies to items reported here.

The highest level of classification of defense articles, components, and services included in this potential sale is SECRET.

(vii) (U) *Date Report Delivered to Congress:* May 8, 2026
