

potential liability as early in the adjudication process as possible. Forms CM-2790 and CM-2970a are used for claims filed after January 19, 2001, and indicate that the coal mine operator will submit additional evidence or respond to the notice of claim. Black Lung Benefits Act section 426 authorizes this information collection. See 30 U.S.C. 936.

This information collection is currently approved for use through October 31st, 2026.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Written comments will receive consideration and be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention 1240-0033.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. The DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

II. Desired Focus of Comments

OWCP is soliciting comments concerning the proposed information collection related to the Operator Response to Schedule for the Submission of Additional Evidence and Operator Response to Notice of Claim. OWCP is particularly interested in comments that:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information has practical utility;
- Evaluate the accuracy of OWCP's estimate of the burden related to the information collection, including the validity of the methodology and assumptions used in the estimate;
- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the information collection on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Documents related to this information collection request are available at <https://regulations.gov> and at DOL-OWCP located at 200 Constitution Avenue NW, Room C-3520, Washington, DC 20210. Questions about the information collection requirements may be directed to the person listed in the **FOR FURTHER INFORMATION** section of this notice.
