Postage Costs

The USPTO estimates that all submissions in this collection will be submitted by mail. The USPTO estimates that 308 items will be submitted by mail in a large envelope. The average first-class postage for a four-ounce mailed submission in a large envelope is \$2.44, resulting in a total of \$752 for submissions other than a Service of Process. The USPTO estimates that one Service of Process will be submitted by certified mail in a Priority Mail legal flat-rate envelope with a return receipt. The USPTO estimates that the average cost for a certified Priority mail legal flat-rate envelope with a return receipt is \$15.07, resulting in \$15 for Service of Process submissions. Therefore, the USPTO estimates the total combined postage cost for this collection is \$767.

IV. Request for Comments

The USPTO is soliciting public comments to:

- (a) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (b) Evaluate the accuracy of the agency’s estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- (c) Enhance the quality, utility, and clarity of the information to be collected; and
- (d) Minimize the burden of the collection of information on those who intend to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

All comments submitted in response to this notice are a matter of public record. The USPTO will include or summarize each comment in the request to OMB to approve this information collection. Before including an address, phone number, email address, or other

personally identifiable information (PII) in a comment, be advised that the entire comment—including PII—may be made publicly available at any time. While one may request in a comment to withhold PII from public view, the USPTO cannot guarantee that it will be able to do so.
