### Coast Guard

#### 33 CFR Part 165

[Docket Number USCG-2026-0683]

RIN 1625-AA00

#### Safety Zone; Maumee River, Perrysburg, OH

**AGENCY:** Coast Guard, Department of Homeland Security.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone for certain navigable waters of the Maumee River within a 375-yard radius of Rapids Road in Perrysburg, OH. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards during a fireworks event. This rulemaking prohibits entry of vessels or persons into this safety zone during enforcement periods unless specifically authorized by the Captain of the Port Detroit.

**DATES:** This rule is effective from 8:30 p.m. through 11:30 p.m. on July 3, 2026.

**ADDRESSES:** To view available documents go to <https://www.regulations.gov> and search for USCG-2026-0683.

**FOR FURTHER INFORMATION CONTACT:** If you have questions about this rule, contact MST1 Cera Turner, Waterways Management Division, U.S. Coast Guard Marine Safety Unit Toledo; (419) 418-6050, *D09-SMB-MSUToledo-WWM@uscg.mil*.

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
COTP Captain of the Port  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### II. Background and Authority

The Coast Guard received notification that fireworks will be launched from Rapids Road near the Maumee River in Perrysburg, OH. The Captain of the Port (COTP) Detroit has determined that potential hazards associated with fireworks are a safety concern for anyone within a 375-yard radius of the fireworks display. Therefore, the COTP is issuing this rule under the authority in 46 U.S.C. 70034, which is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone.

Because of these potential hazards, the Coast Guard is issuing this rule without prior notice and comment. As is authorized by 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard was notified of this event on May 20, 2026, but we must establish this safety zone by July 3, 2026, to protect personnel, vessels, and the marine environment. Therefore, we do not have enough time to solicit and respond to comments.

For the same reason, the Coast Guard finds that under 5 U.S.C. 553(d)(3), good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

##### III. Discussion of the Rule

This rule establishes a safety zone on July 3, 2026. The safety zone will cover all navigable waters of the Maumee River within a 375-yard radius of a fireworks site on Rapids Road in Perrysburg, OH. Vessels and persons will not be allowed to enter the zone during this time, unless authorized by the Captain of the Port.

##### IV. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking.

Below we summarize our analyses based on a number of these statutes and Executive orders.

##### A. Impact on Small Entities

The regulatory flexibility analysis provisions of the Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, do not apply to rules that are not subject to notice and comment. Because the Coast Guard has, for good cause, waived the notice and comment requirement that would otherwise apply to this rulemaking, the Regulatory Flexibility Act's flexibility analysis provisions do not apply here.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), if this rule will affect your small business, organization, or governmental jurisdiction and you have questions, contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards by calling 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

##### B. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

##### C. Federalism and Indian Tribal Governments

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in that Order.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

##### D. Unfunded Mandates Reform Act

As required by The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538), the Coast Guard certifies that this rule will not result in an annual expenditure of \$100,000,000 or more (adjusted for inflation) by a State,
