BILLING CODE 4910-13-P

**DEPARTMENT OF COMMERCE**

**15 CFR Part 5**

[Docket No. 260608-0137]

RIN 0605-AA90

**Eliminating Regulations Regarding the Operation of Vending Stands**

**AGENCY:** Department of Commerce (Commerce).

**ACTION:** Final rule.

**SUMMARY:** By this rule, Commerce is eliminating its agency-specific regulations pertaining to the operation of vending stands. The regulations being eliminated lack a sufficient statutory authorization and are substantively unnecessary, given the existence of other, government-wide regulations implementing the Randolph-Sheppard Vending Stand Act and addressing the same issues. This action is necessary to ensure statutory conformity and streamline Commerce’s body of regulations, and it will do so without diminishing any statutory obligation or entitlement.

**DATES:** The rule is effective on June 11, 2026.

**FOR FURTHER INFORMATION CONTACT:** Daniel Sweeney, Senior Counsel, Office of the General Counsel, at (202) 482-1395.

**SUPPLEMENTARY INFORMATION:** This rule removes Commerce’s regulations at 15 CFR part 5 (“Operation of Vending Stands”). The regulations at part 5 were promulgated on July 31, 1963 (28 FR 7772), and purport to implement the Randolph-Sheppard Vending Stand Act (20 U.S.C. 107 *et seq.*), which establishes that blind persons shall be given priority with respect to the operation of vending stands on federal

property. That Act, however, specifically authorizes the Secretary of *Education* to prescribe government-wide implementing regulations, *see* 20 U.S.C. 107(b), and those regulations are located at 34 CFR part 395. No statutory provision specifically authorizes or requires Commerce to issue its own vending stand regulations, and the regulations at part 5 do not contain any Commerce-specific detail that is up-to-date and either necessary or significant; rather, much of the Commerce-specific detail actually poses some risk of confusion, *see, e.g.*, 15 CFR 5.3 and 5.7 (contemplating the performance of certain administrative functions by the Office of Administrative Services, which has since been renamed), and none of it is necessary to effectively implement either the Randolph-Sheppard Vending Stand Act or the government-wide regulations at 34 CFR part 395.

In sum, Commerce has determined that the regulations at part 5 are appropriate for removal to (i) ensure that Commerce’s regulations do not exceed its lawful authority, (ii) avoid creating a risk of confusion in connection with a subject-matter area sufficiently addressed by the government-wide regulations at 34 CFR part 395, and (iii) streamline the Code of Federal Regulations. This removal is not expected to diminish any obligation or entitlement established by either the Randolph-Sheppard Vending Stand Act or the regulations at 34 CFR part 395; nor is it expected to otherwise impact the regulated public in any meaningful way.

**Classification**

*A. Administrative Procedure Act*

Pursuant to 5 U.S.C. 553(b)(B), Commerce finds good cause to waive the prior notice and opportunity for public participation requirements of the Administrative Procedure Act for this final rule. Commerce considers this rule

to be uncontroversial, and has determined that prior notice and opportunity for public participation is unnecessary, because this rule merely removes a regulatory part that lacks a specific Commerce statutory authorization, pertains to a subject-matter area sufficiently addressed by the government-wide regulations at 34 CFR part 395, and poses some risk of confusion (*e.g.*, regarding the scope and applicability of the government-wide regulations). The regulatory language being removed by this rule is not necessary to effectively implement either the Randolph-Sheppard Vending Stand Act or the government-wide regulations at 34 CFR part 395, and this removal is not expected to diminish or otherwise meaningfully affect any obligation or entitlement established by either of those authorities or any related reliance interest. For the same reasons, Commerce has determined that delaying the effectiveness of these amendments would be contrary to the public interest. The immediate removal of this regulatory part will streamline Commerce’s regulations, ensure statutory conformity, and reduce the risk of public confusion, at little-to-no cost to the public. Commerce therefore finds good cause to waive the public notice and comment period under 553(b)(B) and to waive the 30-day delay in effectiveness under 553(d).

*B. Executive Orders 12866, 14192, 13132*

The Office of Management and Budget has determined this rule is not significant pursuant to Executive Order (E.O.) 12866. This rule is an E.O. 14192 deregulatory action. This rule does not contain policies having federalism implications as the term is defined in E.O. 13132.

*C. Regulatory Flexibility Act*

Because a notice of proposed rulemaking and an opportunity for public participation are not required to

be given for this rule by 5 U.S.C. 553(b)(B), the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are not applicable. Accordingly, no regulatory flexibility analysis is required, and none has been prepared.

#### D. Paperwork Reduction Act

This rule will not impose additional reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*

#### PART 5—[REMOVED AND RESERVED]

#### Eliminating Redundant Regulatory Part Related to Relocation Assistance and Real Property Acquisition

**AGENCY:** Department of Commerce (Commerce).

**ACTION:** Final rule.

**SUMMARY:** By this rule, Commerce is eliminating a part of the Code of Federal Regulations that merely cross-references the Federal Highway Administration's relocation assistance and real property acquisition regulations. This action is necessary to streamline the Code of Federal Regulations and eliminate regulatory language that lacks any legal or meaningful practical effect. The intended effect of this action is to reduce administrative redundancy without altering any substantive obligations or entitlements.

**DATES:** The rule is effective on June 11, 2026.

**FOR FURTHER INFORMATION CONTACT:** Daniel Sweeney, Senior Counsel, Office

of the General Counsel, at (202) 482–1395.

**SUPPLEMENTARY INFORMATION:** This rule removes 15 CFR part 11, which is titled “Uniform Relocation Assistance and Real Property Acquisition for Federal and Federally Assisted Programs” and consists of a single provision, § 11.1. That section simply cross-references the Federal Highway Administration's regulations at 49 CFR part 24, which implement the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 for the government. No authority requires Commerce to maintain any regulatory provision like § 11.1. Moreover, the application of the regulations at 49 CFR part 24 does not depend on any specific cross-reference or acknowledgement by Commerce; instead, the unnecessary language at part 11 has the potential to cause some confusion regarding the applicability of government-wide regulations, either in this particular context or in general. Accordingly, for the sake of streamlining its body of regulations, and to avoid contributing any confusion, Commerce has determined that the removal of part 11 is warranted. This removal will not at all affect any legal obligations or entitlements, and it is not expected to affect any practical or reliance interests.

#### Classification

##### A. Administrative Procedure Act

Pursuant to 5 U.S.C. 553(b)(B), Commerce finds good cause to waive the prior notice and opportunity for public participation requirements of the Administrative Procedure Act for this final rule. Commerce considers this rule to be uncontroversial, and has determined that prior notice and opportunity for public participation is unnecessary, because this rule merely removes a redundant regulatory part that does not serve any meaningful independent purpose and that poses some risk of public confusion (e.g., regarding the applicability of uniform rules in the absence of a specific cross-reference by a particular agency). For the same reasons, Commerce has determined that delaying the effectiveness of these amendments would be contrary to the public interest. The immediate removal of this redundant regulatory part will streamline Commerce's regulations and reduce the possibility of public confusion, at little to no cost, without affecting any substantive obligations or entitlements. Commerce therefore finds good cause to waive the public notice and comment period under 553(b)(B)

and to waive the 30-day delay in effectiveness under 553(d).
