J. Congressional Review Act

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule to each House of the Congress and to the Comptroller General of the United States. NHTSA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this rule in the **Federal Register**. Because this rule does not meet the criteria in 5 U.S.C. 804(2) for a major rule, it will be effective upon publication in the **Federal Register**.

K. Regulation Identifier Number (RIN)

DOT assigns a regulation identifier number (RIN) to each regulatory action listed in the Unified Agenda of Federal Regulations. The Regulatory Information Service Center publishes the Unified Agenda twice a year. You may use the RIN contained in the heading at the beginning of this document to find this action in the Unified Agenda.

L. Privacy Act

In accordance with 5 U.S.C. 553(c), DOT solicits comments from the public to inform its rulemaking process. DOT posts these comments, without edit, to www.regulations.gov, as described in the system of records notice, DOT/ALL-14 FDMS, accessible through www.dot.gov/privacy. To facilitate comment tracking and response, NHTSA encourages commenters to provide their name, or the name of their organization; however, submission of names is optional. Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). For information on DOT's compliance with the Privacy Act, please visit <https://www.transportation.gov/privacy>.

1. On page 32707, in appendix I, in

the instruction “page and the system
will add the amounts in Column (E),

to read:

BILLING CODE 4510-H1-P

page and the system will add the amounts in Column (E), and enter the sum on the "Total Itemized Transactions with this Payee/Payer" line, and it will complete the "Total of All Transactions with this Payee/Payer for This Schedule" line.

An itemization page must be completed for each payee who met the itemization threshold during the reporting period. Only one payee should be reported per page.

To create a new "Union Administration" itemization page for a new payee, click the "Add Administration" button at the top of the page and a new itemization page opens. Follow the instructions above to complete any additional "Union Administration" itemization pages.

By clicking the "Show Payee" drop down arrow at the top of the Schedule 30 page, you can select and view all of the Union Administration Itemization pages you have completed.

As you complete each itemization page, click the "Save & Calculate" button at the top of the page and the total itemized transactions will be added to line 1 of Summary Schedule 30 on the Detailed Summary Page and the total non-itemized transactions will be added to Line 2 of the Summary Schedule.

Enter the total amount of all other transactions relating to this schedule made to other payees during the reporting period on Line 3 of Summary Schedule 30. This is the total from your organization's books of all disbursements relating to this schedule made to payees who did not have a single disbursement of \$5,000 or more or disbursements that aggregated \$5,000 or more.

The system totals Lines 1 through 3 and enters that amount on Line 4 of Summary Schedule 30 and in Item 57 (Union Administration) of Statement B.

SCHEDULES 31 & 32

SCHEDULE 31 – BENEFITS

NOTE: Do not use the Itemization Pages for Schedule 31. Instead use the separate Schedule 31.

Report the labor organization's indirect disbursements to all entities and individuals during the reporting period associated with indirect benefits for members and their

beneficiaries as well as aggregate benefits for officers and employees. Benefit disbursements to be reported in Schedule 31 include, for example, aggregate disbursements for life insurance, health insurance, and pensions. Do not include disbursements for benefits made by the labor organization on behalf of each officer or employee, which should be reported in Column (F) of Schedule 13 or 14. Additionally, do not include salary bonuses, severance payments, or payments for accrued vacation, which should be reported in Column (D) of Schedule 13 or 14.

Indirect benefit disbursements are those made from the labor organization's funds to a separate and independent entity, such as a trust or insurance company, which in turn and under certain conditions will pay benefits to the covered individuals. An example of an indirect benefit disbursement is the premium on group life insurance.

If additional lines are required, click the "Add Benefits" button at the top of the schedule. The system will add lines to the schedule in increments of ten.

Enter in Column (A) the type of benefit, such as pension, welfare, etc.

Enter in Column (B) to whom payment was made; for example, trust, insurance company, etc. Individual union members and their beneficiaries are not required to be listed by name.

Enter in Column (C) the amount disbursed for each type of benefit.

Click the "Save & Calculate" button at the top of the schedule and the system will enter the total for Column (C) on the "Total of all lines above" line and in Item 58 (Benefits) of Statement B.

SCHEDULE 32 — FOREIGN TRANSACTIONS
