Raw Honey From Argentina: Final Results of the Antidumping Duty Administrative Review; 2023–2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that certain exporters of raw honey from Argentina subject to this administrative review made sales of subject merchandise at less than normal value during the period of review (POR) June 1, 2023, through May 31, 2024.

DATES: Applicable June 12, 2026.

FOR FURTHER INFORMATION CONTACT: Thomas Martin, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3936.

SUPPLEMENTARY INFORMATION:

Background

On October 3, 2025, Commerce published the *Preliminary Results* in the *Federal Register* and invited comments

from interested parties.¹ On December 3, 2025, we suspended the briefing schedule set forth in the *Preliminary Results*.² On May 13, 2026, we issued post-preliminary analysis regarding Commerce's exchange rate and cost of production (COP) allocation methodology.³ On May 20, 2026, the American Honey Producers Association and Sioux Honey Association (collectively, the domestic parties), Asociación De Cooperativas Argentinas Cooperativa Limitada (ACA), NEXCO S.A. (NEXCO), and the Government of Argentina (GOA) submitted case briefs.⁴ On May 27, 2026, the domestic parties, ACA, NEXCO, the GOA and Compania Apicola Argentina S.A.; D'Ambros Maria De Los Angeles D'Ambros Maria Daniela SH and D'Ambros Maria De Los Angeles D'Ambros Maria Daniela SRL; Prairie Imports LLC; Patagonik Food S.A.; and Villamora S.A. (collectively, Unexamined Parties) submitted rebuttal briefs.⁵ On May 29, 2026, Commerce held a hearing.

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁶ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in

administrative proceedings by an additional 21 days.⁷ On March 25, 2026, Commerce extended the final results of this review by 53 days.⁸ On June 1, 2026, Commerce extended the final results of this review by 7 days.⁹ Accordingly, the deadline for these final results is now June 8, 2026.

For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.¹⁰ The Issues and Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order¹¹

The merchandise covered by the Order is raw honey from Argentina. For a complete description of the scope of the Order, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are listed in the appendix to this notice and addressed in the Issues and Decision Memorandum.

Changes Since the Preliminary Results and Post Preliminary Analysis

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, we have made certain changes to the margin calculations for ACA. For further discussion, see the Issues and Decision Memorandum.

companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely on the basis of facts available.”

For the final results, we have calculated a weighted-average dumping margin for ACA that is not zero, *de minimis*, or determined entirely on the basis of facts available. Accordingly, consistent with our practice, for the final results of this review, we have determined that the weighted-average dumping margin for the non-examined companies to be equal to the weighted-average dumping margin calculated for ACA, *i.e.*, 21.35 percent.

Final Results of Review

As a result of this review, we determine the following estimated weighted-average dumping margin exists for the period June 1, 2023, through May 31, 2024:

Exporter or producer	Weighted-average dumping margin (percent)
Asociación De Cooperativas Argentinas Cooperativa Limitada	21.35
NEXCO S.A	0.00
Review-Specific Rate for Non-Examined Companies	21.35

Disclosure

Commerce intends to disclose the calculations performed for the final results of this review to parties in this proceeding within five days after public announcement of the final results or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).¹²

¹² See 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.

Pursuant to 19 CFR 351.212(b)(1), where the respondent reported the entered value of its U.S. sales, we calculated importer-specific assessment rates based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those same sales. Where the respondent did not report entered value, we calculated a per-unit assessment rate for each importer by dividing the total amount of dumping calculated for the examined sales made to that importer by the total quantity associated with those sales. To determine whether an importer-specific, per-unit assessment rate is *de minimis* (*i.e.*, less than 0.5 percent), in accordance with 19 CFR 351.106(c)(2), we also calculated an importer-specific *ad valorem* rate based on estimated entered values. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹³

For the non-examined companies, we intend to instruct CBP to assess antidumping duties at a rate equal to the weighted-average dumping margin determined in these final results of review.

Commerce's “automatic assessment” practice will apply to entries of subject merchandise during the POR produced by ACA and NEXCO for which it did not know that the merchandise it sold to an intermediary (*e.g.*, a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate such entries at the all-others rate (*i.e.*, 16.92 percent),¹⁴ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁵

¹³ See 19 CFR 352.106(c)(2); *see also* *Antidumping Proceeding: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings; Final Modification*, 77 FR 8101, 8103 (February 14, 2012).

¹⁴ See *Raw Honey from Argentina: Final Determination of Sales at Less Than Fair Value and Final Affirmative Determination of Critical Circumstances*, 87 FR 22179, 22181 (April 14, 2022).

¹⁵ See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for subject merchandise exported by ACA and NEXCO will be equal to the weighted-average dumping margin that is established in the final results of this review; (2) for subject merchandise exported by previously investigated or reviewed companies not covered in this review, the cash deposit rate will continue to be equal to the company-specific weighted-average dumping margin published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be equal to the company-specific weighted-average dumping margin established for the most recently completed segment for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers and exporters will continue to be 16.92 percent, the all-others rate established in the amended final determination of the LTFV investigation.¹⁶

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping or countervailing duties occurred and the

¹⁶ See *Amended Final*, 87 FR at 935.

subsequent assessment of double antidumping duties, and/or increase in the amount of antidumping duties by the amount of the countervailing duties.

Administrative Protective Order (APO)

This notice serves as the only reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 8, 2026.

Christopher Abbott,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Fisheries of the Gulf of America; Southeast Data, Assessment, and Review; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and

Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of webinar.

SUMMARY: The Southeast Data Assessment and Review (SEDAR) 108 assessment process of South Atlantic Black Sea Bass will consist of a SEDAR led introduction webinar followed by internal agency led data and assessment stages. See **SUPPLEMENTARY INFORMATION**.

DATES: The SEDAR 108 Introduction webinar will be held June 29, 2026, from 3–4 p.m. EST.

ADDRESSES: *Meeting address:* The meeting will be held via webinar. The webinar is open to members of the public. Those interested in participating should contact Emily Ott at SEDAR (See **FOR FURTHER INFORMATION CONTACT**) to request an invitation providing webinar access information. Please request webinar invitations at least 24 hours in advance of each webinar. SEDAR address: 4055 Faber Place Drive, Suite 201, North Charleston, SC 29405.

FOR FURTHER INFORMATION CONTACT: Emily Ott, SEDAR Coordinator; (843) 302-8434. Email: *Emily.Ott@safmc.net*.

SUPPLEMENTARY INFORMATION: The Gulf, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with the National Marine Fisheries Service and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the SEDAR process. SEDAR is a participatory process for developing, evaluating and reviewing information used for fisheries management advice. This multi-step process for determining the status of fish stocks in the Southeast Region may include (1) a Data stage, and (2) an Assessment stage, and (3) a Review stage. Each stage produces a report summarizing decisions made during that stage. A final stock assessment report is produced at the end of a SEDAR process documenting data sets used, model configurations and the opinions from the independent peer review. Participants for SEDAR projects are appointed by the Gulf, South Atlantic, and Caribbean Fishery Management Councils and National Marine Fisheries Service Southeast Regional Office, Highly Migratory Species Management Division, and Southeast Fisheries Science Center. Participants may include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and non-governmental organizations; International experts; and staff of

Councils, Commissions, and state and Federal agencies.

The items of discussion during the SEDAR 108 Introduction webinar are as follows:

The lead assessment team will present new and old data that is expected to be used in the assessment.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office (see **ADDRESSES**) at least 5 business days prior to each workshop.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 *et seq.*
