SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13), we invite the public and other Federal agencies to comment on these information collections. If you have comments or suggestions, they should address one or more of the following points: (a) whether the proposed information collection is necessary for NARA to properly perform its functions; (b) our estimate of the burden of the proposed information collection and its accuracy; (c) ways we could enhance the quality, utility, and clarity of the information we collect; (d) ways we could minimize the burden on respondents of collecting the information, including through information technology; and (e) whether the collection affects small businesses.

We will summarize any comments you submit and include the summary in our request for OMB approval. All comments will become a matter of public record.

In this notice, we solicit comments concerning the following information collections:

Title: Requests for Civilian Service Records.

OMB number: 3095–0037.

Agency form number: NA Form 13022, Returned Request, NA Form 13068, Walk-In Request for OPM Records or Information.

Type of review: Regular.

Affected public: Individuals or households.

Estimated number of respondents: 10,429.

Estimated time per response: 5 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 869 hours.

Abstract: In accordance with rules issued by the Office of Personnel Management, the National Personnel Records Center (NPRC) of the National Archives and Records Administration (NARA) administers Official Personnel Folders (OPF) and Employee Medical Folders (EMF) of former Federal civilian employees. When former Federal civilian employees and other authorized individuals request information from or copies of documents in OPF or EMF, they must provide in their requests

certain information about the employee and the nature of the request so that we can determine whether they are authorized to receive the information and so that we can find the correct records. The NA Form 13022, Returned Request Form, is used to request additional information about the former Federal employee. The NA Form 13064, Reply to Request Involving Relief Agencies, is used to request additional information about the former relief agency employee. The NA Form 13068, Walk-In Request for OPM Records or Information, is used by members of the public, with proper authorization, to request a copy of a personnel or medical record.

Gulam Shakir,

Executive for Information Services/CIO.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA–2026–022]

Agency Information Collection Activities; Proposals, Submissions, and Approvals

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: We are proposing to request that the Office of Management and Budget (OMB) renew three information collections. The first renewal information collection is necessary to handle the volume of requests for records in a timely manner and to obtain specific information from the researcher to search for the records sought. The second renewal information collection is prepared by organizations that want to make paper-to-paper copies of archival holdings with their personal copiers at the National Archives at the College Park facility. The third renewal is used to advise requesters of the correct procedures to follow when requesting certified copies of records for use in civil litigation or criminal actions in courts of law, and the information to be provided so that records may be identified. We invite you to comment on the proposed information collections.

DATES: OMB must receive written comments on or before August 11, 2026.

ADDRESSES: Send comments to Paperwork Reduction Act Comments (MC); National Archives and Records Administration; 8601 Adelphi Road Room 4100; College Park, MD 20740–6001 or email comments to forms@nara.gov.

FOR FURTHER INFORMATION CONTACT:

Kristin Phillips, Paperwork Reduction Act Officer, by email at kristin.phillips@nara.gov or by telephone at 616–254–0405.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13), we invite the public and other Federal agencies to comment on proposed information collections. If you have comments or suggestions, they should address one or more of the following points: (a) whether the proposed information collection is necessary for NARA to properly perform its functions; (b) our estimate of the burden of the proposed information collection and its accuracy; (c) ways we could enhance the quality, utility, and clarity of the information we collect; (d) ways we could minimize the burden on respondents of collecting the information, including through information technology; and (e) whether the collection affects small businesses.

We will summarize any comments you submit and include the summary in our request for OMB approval. All comments will become a matter of public record.

In this notice, we solicit comments concerning the following information collections:

1. *Title:* Order Forms for Genealogical Research in the National Archives.

OMB number: 3095–0027 CF.

Agency form numbers: NATF Forms 84, 85, and 86.

Type of review: Regular.

Affected public: Individuals or households.

Estimated number of respondents: 7,139.

Estimated time per response: 10 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 1,190.

Abstract: Submission of requests on a form is necessary to handle in a timely fashion the volume of requests received for these records and the need to obtain specific information from the researcher to search for the records sought. As a convenience, the form will allow researchers to provide credit card information to authorize billing and expedited mailing of the copies. You can also use our online ordering web page (<https://www.archives.gov/research/order>) to complete the forms and order the copies.

2. *Title:* Request to use personal paper-to-paper copiers at the National Archives at College Park facility.

OMB number: 3095–0035.

Agency form number: None.

Type of review: Regular.

Affected public: Business or other for-profit.

Estimated number of respondents: 5.

Estimated time per response: 3 hours.

Frequency of response: On occasion.

Estimated total annual burden hours: 15 hours.

Abstract: The information collection is prescribed by 36 CFR 1254.86. Respondents are organizations that want to make paper-to-paper copies of archival holdings with their personal copiers. NARA uses the information to determine whether the request meets the criteria in 36 CFR 1254.86 and to schedule the limited space available.

3. *Title:* Court Order Requirements.

OMB number: 3095–0038.

Agency form number: NA Form 13027.

Type of review: Regular.

Affected public: Veterans and Former Federal civilian employees, their authorized representatives, state and local governments, and businesses.

Estimated number of respondents: 5,000.

Estimated time per response: 15 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 1,250 hours.

Abstract: In accordance with rules issued by the Office of Personnel Management, the National Personnel Records Center (NPRC) of the National Archives and Records Administration (NARA) administers Official Personnel Folders (OPF) and Employee Medical Folders (EMF) of former Federal civilian employees. In accordance with rules issued by the Department of Defense (DOD) and the Department of Homeland Security (DHS), the NPRC also administers military service records of veterans after discharge, retirement, and death, and the medical records of these veterans, current members of the Armed Forces, and dependents of Armed Forces personnel. The NA Form 13027, Court Order Requirements, is used to advise requesters of (1) the correct procedures to follow when requesting certified copies of records for use in civil litigation or criminal actions in courts of law and (2) the information to be provided so that records may be identified.

NATIONAL SCIENCE FOUNDATION

Agency Information Collection Activities: Comment Request; Antarctic Conservation Act Application Permit Form

AGENCY: National Science Foundation.

ACTION: Submission for OMB review; comment request.

SUMMARY: The National Science Foundation (NSF) has submitted the following information collection requirement to OMB for review and clearance under the Paperwork Reduction Act of 1995. This is the second notice for public comment; the first was published in the **Federal Register**, and no comments were received. NSF is forwarding the proposed submission to the Office of Management and Budget (OMB) for clearance simultaneously with the publication of this second notice.

DATES: Comments regarding this information collection are best assured of having their full effect if received by July 13, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for National Science Foundation, 725 17th Street NW, Room 10235, Washington, DC 20503, and Suzanne H. Plimpton, Reports Clearance Officer, National Science Foundation, Randolph Building, 401 Dulany Street, Alexandria, VA 22314, or send email to splimpto@nsf.gov. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339, which is accessible 24 hours a day, 7 days a week, 365 days a year (including federal holidays).

Copies of the submission may be obtained by calling 703–292–7556.

SUPPLEMENTARY INFORMATION: NSF may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to the points of contact in the **FOR FURTHER INFORMATION CONTACT** section.

Title of Collection: Antarctic Conservation Act Application Permit Form.

OMB Number: 3145–0034.

Type of Request: Intent to seek approval to renew an information collection.

Proposed Project: The current Antarctic Conservation Act Application Permit Form (NSF 1078) has been in use for several years. The form requests general information, such as name, affiliation, location, etc., and more specific information such as the activities to be conducted including take and harmful interference of native bird, mammal, or plants, entrance into protected areas, import of non-native species to Antarctica, and import of covered samples to the United States.

Use of the Information: The purpose of the regulations (45 CFR 670) is to conserve and protect the native mammals, birds, plants, and invertebrates of Antarctica and the ecosystem upon which they depend and to implement the Antarctic Conservation Act of 1978, Public Law 95–541, as amended by the Antarctic Science, Tourism, and Conservation Act of 1996, Public Law 104–227.

Burden on the Public: NSF estimates about 25 responses annually at 45 minutes per response; this computes to approximately 19 hours annually.

Dated: June 10, 2026.

Suzanne H. Plimpton,

Reports Clearance Officer, National Science Foundation.
