Notice of Lodging of Proposed Material Modification of Consent Decree Under the Clean Water Act

On March 30, 2026, the Department of Justice lodged a proposed material modification to a Consent Decree (“Decree”) with the United States District Court for the District of South Carolina in the lawsuit entitled *United States and State of South Carolina v. the City of Columbia, South Carolina*, Civil Action No. 3:13-cv-2429-MGL.

Ref. No. 90-5-1-1-09954. All comments must be submitted no later than fifteen (15) days after the publication date of this notice. Comments may be submitted either by email or by mail:

SUPPLEMENTARY INFORMATION:

I. Background

The Wage and Hour Division (WHD) of the Department of Labor (Department) administers the Davis-Bacon Act (DBA) and Davis-Bacon Related Acts (DBRA), 40 U.S.C. 3141 *et seq.*, and the Contract Work Hours and Safety Standards Act (CWHSSA), 40 U.S.C. 3701 *et seq.* Regulations at 29 CFR part 5 prescribe labor standards for federally financed and federally assisted construction contracts subject to DBA, DBRA, and labor standards for all contracts subject to CWHSSA. The DBA and DBRA require payment of locally prevailing wages and fringe benefits, as determined by the Department, to laborers and mechanics on most federally financed or assisted construction projects. CWHSSA requires the payment of one and one-half times the basic rate of pay for hours worked over 40 in a week on most federal contracts involving the employment of laborers or mechanics. The requirements of this information collection consist of (1) reports of conformed classifications and wage rates, and (2) requests for approval of unfunded fringe benefit plans.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for

failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The Department obtains OMB approval for this information collection under Control Number 1235-0023.

OMB authorization for an ICR cannot be for more than 3 years without renewal, and the current approval for this collection will expire on September 30, 2026. The Department seeks to extend PRA authorization for this information collection for 3 more years, without any change to existing requirements.

Interested parties are encouraged to send comments to the Department at the address shown in the **ADDRESSES** section within 60 days of publication of this notice in the **Federal Register**. To help ensure appropriate consideration, comments should mention OMB Control Number 1235-0023.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Enhance the quality, utility, and clarity of the information to be collected;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submissions of responses.

III. Current Actions

The Department of Labor seeks approval for an extension of this information collection to ensure effective administration of the DBA, DBRA, and CWHSSA.
