The first report shall be submitted within 30 days after the expiration of 12-months from the date of the Commission's Final Order of Acceptance of the Agreement and successive reports shall be due annually on the same date thereafter. Without limitation, DCT acknowledges and agrees that failure to make such timely and accurate reports, as required by this Agreement and Order, may constitute a violation of section 19(a)(3) of the CPSA, 15 U.S.C. 2068(a)(3), and may subject DCT to enforcement under section 22 of the CPSA, 15 U.S.C. 2071.

34. The Agreement, any attachments, and the Order constitute the complete agreement between the parties on the subject matter contained therein.

35. The Agreement may be used in interpreting the Order. Understandings, agreements, representations, or interpretations apart from those contained in the Agreement and the Order may not be used to vary or contradict their terms. For purposes of construction, the Agreement shall be

deemed to have been drafted by both of the parties and shall not, therefore, be construed against any party, for that reason, in any subsequent dispute.

36. The Agreement may not be waived, amended, modified, or otherwise altered, except as in accordance with the provisions of 16 CFR 1118.20(h). The Agreement may be executed in counterparts.

37. If any provision of the Agreement or the Order is held to be illegal, invalid, or unenforceable under present or future laws effective during the terms of the Agreement and the Order, such provision shall be fully severable.
