Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), if this rule will affect your small business, organization, or governmental jurisdiction and you have questions, contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards by calling 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

B. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

C. Federalism and Indian Tribal Governments

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in that Order.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

D. Unfunded Mandates Reform Act

As required by The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538), the Coast Guard certifies that this rule will not result in an annual expenditure of \$100,000,000 or more (adjusted for inflation) by a State, local, or tribal government, in the aggregate, or by the private sector.

E. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), and have determined that this action is one of a category of actions that do not

individually or cumulatively have a significant effect on the human environment.

This rule is a security zone. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket.

Safety Zone; Ohio River Mile Marker 0–0.5, Allegheny River Mile Marker 0–0.5, Monongahela River Mile Marker 0–0.5, Pittsburgh, PA

AGENCY: Coast Guard, Department of Homeland Security.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on June 27, 2026, on the Allegheny River Mile Marker 0 to Mile Marker 0.5, the Ohio River Mile Marker 0 to Mile Marker 0.5 and the Monongahela River Mile Marker 0 to Mile Marker 0.5. This safety zone is necessary to provide for the safety of life on the navigable waters during a drone display. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Pittsburgh, or a designated representative.

DATES: This rule is effective from 9:30 p.m. through 10:30 p.m. on June 27, 2026.

II. Background and Authority

The Coast Guard received notification of a drone display near the Point of Pittsburgh, near Pittsburgh, PA. Hazards associated with this display include potential falling debris, low flying objects, and high concentration of spectators. The Captain of the Port (COTP) Pittsburgh has determined that potential hazards associated with this drone display are a safety concern for anyone within the waters of the Allegheny River Mile Marker 0 to Mile Marker 0.5, the Ohio River Mile Marker 0 to Mile Marker 0.5 and the Monongahela River Mile Marker 0 to Mile Marker 0.5. Therefore, the COTP is issuing this rule under the authority in 46 U.S.C. 70034, which is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone.

Because of these potential hazards, the Coast Guard is issuing this rule without prior notice and comment. As is authorized by 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard was notified of this event on June 1, 2026, but we must establish this safety zone by June 27, 2026, to protect personnel, vessels, and the marine environment. Therefore, we do not have enough time to solicit and respond to comments.

For the same reason, the Coast Guard finds that under 5 U.S.C. 553(d)(3), good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

III. Discussion of the Rule

This rule establishes a safety zone from 9:30 p.m. until 10:30 p.m. on June 27, 2026. The safety zone will cover all navigable waters on the Allegheny River Mile Marker 0 to Mile Marker 0.5, the Ohio River Mile Marker 0 to Mile Marker 0.5 and the Monongahela River Mile Marker 0 to Mile Marker 0.5. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters during a dronedisplay. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. To seek

permission to enter, contact the COTP or designated representative via VHF-FM channel 16, or through Marine Safety Unit Pittsburgh at 412-670-4288. Persons and vessels permitted to enter the safety zone must comply with all lawful orders or directions issued by the COTP or designated representative. The COTP or a designated representative will inform the public of the effective period for the safety zone as well as any changes in the dates and times of enforcement through Local Notice to Mariners (LNMs), Broadcast Notice to Mariners (BNMs), and/or Marine Safety Information Bulletins (MSIBs), as appropriate. Port.

IV. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders.

A. Impact on Small Entities

The regulatory flexibility analysis provisions of the Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, do not apply to rules that are not subject to notice and comment. Because the Coast Guard has, for good cause, waived the notice and comment requirement that would otherwise apply to this rulemaking, the Regulatory Flexibility Act's flexibility analysis provisions do not apply here.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), if this rule will affect your small business, organization, or governmental jurisdiction and you have questions, contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards by calling 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

B. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

C. Federalism and Indian Tribal Governments

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that it is consistent with the fundamental federalism

principles and preemption requirements described in that Order.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

D. Unfunded Mandates Reform Act

As required by The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538), the Coast Guard certifies that this rule will not result in an annual expenditure of \$100,000,000 or more (adjusted for inflation) by a State, local, or tribal government, in the aggregate, or by the private sector.

E. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment.

This rule is a safety zone. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket.

POSTAL SERVICE

39 CFR Part 111

Priority Mail Express and Priority Mail Open and Distribute Parcel Mailings Discontinued

AGENCY: Postal Service.

ACTION: Final rule.

SUMMARY: The Postal Service is amending *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) in various sections to discontinue the mailing of parcels with Priority Mail Express® and Priority Mail® Open and Distribute service.

DATES: *Effective Date:* January 17, 2027.

FOR FURTHER INFORMATION CONTACT: Catherine Knox at (202) 268–5636 or Garry Rodriguez at (202) 268–7281.

SUPPLEMENTARY INFORMATION: On March 19, 2026, the Postal Service published a notice of proposed rulemaking (91 FR 13263–13266) to discontinue the mailing of parcels with Priority Mail Express and Priority Mail Open and Distribute service. In response to the proposed rule, the Postal Service received one formal comment. The comment and response are as follows:

Comment: The commenter believed that the proposed changes should be subject to numerous laws and related guidance, including 39 U.S.C. 3622, 3642, the Paperwork Reduction Act, and Regulatory Flexibility Act.

Response: For a variety of legal reasons, these laws, and by extension any related guidance, do not apply to the Postal Service or this rulemaking.

The Postal Service has determined it will discontinue the mailing of parcels using Priority Mail Express and Priority Mail Open and Distribute as a published service. Priority Mail Express and Priority Mail Open and Distribute service will continue to provide an option for mailers who want to expedite letter or flat mailings to destination postal facilities. However, the Postal Service is revising this final rule to be effective January 17, 2027, rather than the proposed effective date of July 12, 2026.

As an alternative for parcel mailers, Priority Mail Express and Priority Mail Open and Distribute service will be made available to mailers through a negotiated service agreement (NSA).

The Postal Service adopts the described changes to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), incorporated by reference in the *Code of Federal Regulations*. We will publish an appropriate amendment to 39 CFR part 111 to reflect these changes.
