At this time, Phlx proposes to decrease the July 1, 2026 ORF rate from \$0.0150 to \$0.0080 per contract side. regarding the July 1, 2026 rule text that describes the ORF collection methodology.

July 1, 2026 ORF

As of July 1, 2026, Phlx will assess ORF for options transactions cleared by The Options Clearing Corporation (“OCC”) in the customer⁵ range, however ORF would be assessed to each Phlx member organization⁶ for executions that occur on Phlx. Specifically, the ORF would be collected by OCC on behalf of Phlx from member organizations and non-member organizations for all customer transactions executed on Phlx. ORF would be assessed and collected on all ultimately cleared customer contracts, taking into account adjustments for CMTA that were provided to Phlx the same day as the trade.⁷ Further, the Exchange would bill ORF according to the clearing instructions provided on the execution. More specifically, Phlx proposes to assess ORF based on the clearing instruction provided on the execution on trade date and would not take into consideration CMTA changes or transfers that occur at OCC.⁸

Phlx filed a rule proposal on July 25, 2025 to assess an ORF of \$0.0150 per contract side for January 2, 2026, the implementation of which was subsequently delayed to July 1, 2026.⁹ Nearly a year has passed since Phlx set

⁵ ORF would be assessed by Phlx and collected via the OCC from Customers, Professional Customers, and Broker-Dealers that are not affiliated with a clearing member. These market participants clear in the “C” range at OCC. ORF will continue to be assessed and collected from these market participants under the new methodology. On Phlx, a “Customer” means a person or entity that is not a broker or dealer in securities and is not a Professional as defined within Options 1, Section 1(b)(45); and a “Broker-Dealer” applies to any transaction which is not subject to any of the other transaction fees applicable within a particular category.

⁶ The term “member organization” means a corporation, partnership (general or limited), limited liability partnership, limited liability company, business trust or similar organization, transacting business as a broker or a dealer in securities and which has the status of a member organization by virtue of (i) admission to membership given to it by the Membership Department pursuant to the provisions of General 3, Sections 5 and 10 or the By-Laws or (ii) the transitional rules adopted by the Exchange pursuant to Section 6–4 of the By-Laws. References herein to officer or partner, when used in the context of a member organization, shall include any person holding a similar position in any organization other than a corporation or partnership that has the status of a member organization. See General 1, Section 1(17).

⁷ Adjustments to CMTA that occur at OCC would not be taken into account.

⁸ Adjustments that were made the same day as the trade on Phlx will be taken into account.
