

Permanent Program Performance Standards—Operations in Alluvial Valley Floors,” under OMB Control Number 1029–0049. This information collection supports implementation of the Surface Mining Control and Reclamation Act of 1977 (SMCRA) and applies to surface coal mining operations west of the 100th meridian that may affect alluvial valley floors (AVFs). The information collected ensures that mining operations do not interrupt farming on AVFs, do not materially damage the hydrologic systems supplying AVFs, and preserve essential hydrologic functions during mining and reclamation.

DATES: Interested persons are invited to submit comments on or before August 21, 2026.

ADDRESSES: Send your comments on this information collection request (ICR) by mail to William L. Frankel, Office of Surface Mining Reclamation and Enforcement, 1849 C St. NW—MS 4512, Washington, DC 20240, or by email to wfrankel@osmre.gov. Please reference OMB Control Number 1029–0049 in the subject line of your comments. OMB Control Number 1029–0049 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact William Frankel by email at wfrankel@osmre.gov or by telephone at 202–208–0121. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services available in their country to make international calls to the point of contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (PRA); 44 U.S.C. 3501 *et seq.*, and 5 CFR 1320.8(d)(1) and as part of our continuing effort to reduce paperwork and respondent burdens, OSM invites the general public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. Comments received help OSM to assess the impact of our information collection requirements and minimize the public’s reporting burden. These comments also help the public understand OSM’s information collection requirements and the format in which the requested information should be submitted.

We are especially interested in public comments addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) Whether our estimate of the burden for this collection of Information is accurate, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: Sections 510(b)(5) and 515(b)(10)(F) of the SMCRA protect AVFs from adverse impacts of surface coal mining operations west of the 100th meridian. Under 30 CFR 822.13, permittees must install, maintain, and operate a monitoring system to safeguard these unique hydrologic areas. The information collected is used to verify that AVFs are protected in accordance with SMCRA requirements.

Title of Collection: 30 CFR 822—Special Permanent Program Performance Standards—Operations in Alluvial Valley Floors.

OMB Control Number: 1029–0049.

Form Number: None.

Type of Review: Extension of a previously approved collection.

Respondents/Affected Public: State Regulatory Authorities and Coal Mine Operators.

Total Estimated Number of Annual Respondents: 3.

Total Estimated Number of Annual Responses: 52.

Estimated Completion Time per Response: 160 hours.

Total Estimated Number of Annual Burden Hours: 4,550 hours.

Respondent’s Obligation: Required to obtain or retain a benefit.

Frequency of Collection: One time.

Total Estimated Annual Non-Hour Burden Cost: \$0.

An agency may not conduct, or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the PRA.

William L. Frankel,

*Information Collection Clearance Officer,
Office of Surface Mining Reclamation and
Enforcement, Department of the Interior.*

BILLING CODE 4310–05–P

INTERNATIONAL TRADE COMMISSION

Notice of Receipt of Complaint; Solicitation of Comments Relating to the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has received a complaint entitled *Certain Foundry Coke, DN 3914*; the Commission is soliciting comments on any public interest issues raised by the complaint or complainant’s filing pursuant to the Commission’s Rules of Practice and Procedure.

FOR FURTHER INFORMATION CONTACT: Lisa R. Barton, Secretary to the Commission, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2000. The public version of the complaint can be accessed on the Commission’s Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov.

General information concerning the Commission may also be obtained by accessing its internet server at United States International Trade Commission (USITC) at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission’s Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission has received a complaint

and a submission pursuant to § 210.8(b) of the Commission's Rules of Practice and Procedure filed on behalf of SunCoke Technology and Development LLC and Jewell Coke Company L.P. on June 15, 2026. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain foundry coke. The complaint names as respondents: MTX CZ, a.s. of Czech Republic; OKK Koksovny, a.s. of Czech Republic; METALIMEX a.s. of Czech Republic; METALIMEX Deutschland GmbH of Germany; AMEX Coal Sp. z o.o. of Poland; Italiana Coke S.r.l. of Italy; and Terminal Alti Fondali Savona S.r.l. of Italy. The complainant requests that the Commission issue a limited exclusion order, cease and desist orders and impose a bond upon respondents' alleged infringing articles during the 60-day Presidential review period pursuant to 19 U.S.C. 1337(j).

Proposed respondents, other interested parties, members of the public, and interested government agencies are invited to file comments on any public interest issues raised by the complaint or § 210.8(b) filing. Comments should address whether issuance of the relief specifically requested by the complainant in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the requested remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the requested remedial orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the requested exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the requested remedial orders would impact United States consumers.

Written submissions on the public interest must be filed no later than by close of business, eight calendar days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation. Any written submissions on other issues must also be filed by no later than the close of business, eight calendar days after publication of this notice in the **Federal Register**. Complainant may file replies to any written submissions no later than three calendar days after the date on which any initial submissions were due, notwithstanding § 201.14(a) of the Commission's Rules of Practice and Procedure. No other submissions will be accepted, unless requested by the Commission. Any submissions and replies filed in response to this Notice are limited to five (5) pages in length, inclusive of attachments.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. Submissions should refer to the docket number ("Docket No. 3914") in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, Electronic Filing Procedures¹). Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice. Persons with questions regarding filing should contact the Secretary at EDIS3Help@usitc.gov.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this Investigation may be disclosed to and used: (i) by the Commission, its employees and Offices,

and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel,² solely for cybersecurity purposes. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.³

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of §§ 201.10 and 210.8(c) of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.8(c)).

By order of the Commission.

Issued: June 16, 2026.

Lisa Barton,

Secretary to the Commission.
