[Docket No. USGS–FACA–2026; GX25GK009970000]

Public Meeting of the Advisory Committee on Landslides

AGENCY: U.S. Geological Survey, Department of the Interior.

ACTION: Notice of public meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act (FACA) of 1972, the U.S. Geological Survey (USGS) is publishing this notice to announce that a Federal Advisory Committee meeting of the Advisory Committee on Landslides (ACL) will take place and is open to members of the public.

DATES:

Meeting: The ACL will meet via web conference on Tuesday, June 30, 2025, from 1:00 p.m. to 5:00 p.m. Eastern Daylight Time.

Registration: Registration to attend or participate in the meeting is required. To register, please contact the Designated Federal Officer (DFO) (see **FOR FURTHER INFORMATION CONTACT**).

ADDRESSES: The meeting on June 30, 2026, will be held via web conference. Members of the public may attend the meeting via web conference. Comments can be sent to the DFO (see **FOR FURTHER INFORMATION CONTACT**). The meeting is open to the public.

FOR FURTHER INFORMATION CONTACT: Dr. Jonathan Godt, Landslide Hazards Program Coordinator, Natural Hazards Mission Area, USGS, by email at jgodt@usgs.gov; or by telephone at (303) 905–9468.

usgs.gov; or by telephone at (303) 905–9468.

Individuals in the United States who are deaf, blind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: This meeting is being held under the provisions of the FACA of 1972 (5 U.S.C. Ch. 10), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b, as amended), and 41 CFR part 102–3.

The ACL is composed of no fewer than 11 members, appointed by the Secretary of the Interior, who are selected for their established qualifications in landslide hazard and risk or related fields, records of distinguished service in their professional community, knowledge of issues affecting the National Landslide Hazards Reduction Program (NLHRP), and to represent a cross-section of views and expertise, including a range of geographies and communities impacted by landslide hazards in the United States.

Purpose of the Meeting: The ACL provides advice and recommendations to the Secretary of the Interior through the Interagency Coordinating Committee on Landslide Hazards on implementation of the National Landslide Hazards Reduction Program. Additional information about the ACL is available at the ACL's website: <https://www.usgs.gov/programs/landslide-hazards/advisory-committee-landslides-acl>.

The purpose of the meeting is for the ACL to discuss agency activities under the National Landslide Hazards Reduction Program; receive preliminary interagency feedback on the 2026 ACL recommendations report; and provide input to guide tasking of new subcommittees to support future recommendations for Program implementation. Agendas may change to accommodate ACL business. Final agendas will be posted on the ACL website at <https://www.usgs.gov/programs/landslide-hazards/advisory-committee-landslides-acl>.

Members of the public wishing to participate in the web conference meeting should contact the DFO (see **FOR FURTHER INFORMATION CONTACT**) at least three (3) business days prior to the meeting. After pre-registering, participants will be provided with instructions on how to join via web conference.

Meeting Accessibility/Special Accommodations: Please make requests in advance for sign language interpreter services, assistive listening devices, or other reasonable accommodations. We ask that you contact the DFO (see **FOR FURTHER INFORMATION CONTACT**) at least seven (7) business days prior to the meeting to give the USGS sufficient time to process your request. All reasonable accommodation requests are managed on a case-by-case basis.

Public Disclosure of Comments: There will be an opportunity for public comment during the meeting. Depending on the number of people who wish to speak and the time available, the time for individual oral comments may be limited. Written comments may also be sent to the ACL for consideration. To allow for full consideration of information by the ACL members, written comments must be provided to Jonathan Godt (see **FOR FURTHER INFORMATION CONTACT**) at least three (3) business days prior to the meeting. Individuals who wish to expand upon their oral statements, those who had wished to speak but could not be accommodated, and those who were unable to participate are invited to submit written statements by email to Jonathan Godt (see **FOR FURTHER INFORMATION CONTACT**).

Before including your address, phone number, email address, or other personally identifiable information (PII) in your comment, be aware that your entire comment—including your PII—may be made publicly available at any time. While you may ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Authority: 5 U.S.C. Ch. 10.

Notice of Inventory Completion: Mississippi Department of Archives and History, Jackson, MS

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and

Repatriation Act (NAGPRA), the Mississippi Department of Archives and History (MDAH) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after July 22, 2026.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to Jaquelin Padilla, NAGPRA Coordinator, Mississippi Department of Archives and History, Historic Preservation Division, 100 South State Street, P.O. Box 571, Jackson, MS 39205, email jpadilla@mdah.ms.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Mississippi Department of Archives and History, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, one individual, have been identified from 22HI859 (Asylum Hill). The five lots of associated funerary objects are one lot of coffin wood, one lot of coffin nails, one lot of coffin screws, one lot of buttons, and one copper alloy ring.

The human remains and the five lots of associated funerary objects were removed from the University of Mississippi Medical Center (UMMC) site, 22HI859, also known as "Asylum Hill" between 2022 to 2023. These human remains and the five lots of associated funerary objects were transferred to MDAH in 2024.

There were no known potentially hazardous substances used to treat any of the human remains or associated funerary objects.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

The Mississippi Department of Archives and History has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The five lots of objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Jena Band of Choctaw Indians; Mississippi Band of Choctaw Indians; and The Choctaw Nation of Oklahoma.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after July 22, 2026. If competing requests for repatriation are received, the Mississippi Department of Archives and History must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The Mississippi Department of Archives and History is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: June 12, 2026.

Melanie O'Brien,

Manager, National NAGPRA Program.

The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least three individuals have been identified. The four associated funerary objects consist of one lot of large non-human bones (associated with eight of the human elements), one lot of basketry material, one small broken stick and one lot of unidentifiable and non-human long bone fragments associated with one human radius. In 1967, Steven Bedwell excavated Connley Cave #3, Fort Rock, Lake County, OR. Materials were curated at the University of Oregon Museum and Natural and Cultural History. The excavation resulted in the collection of nine elements of human bone representing at least three
