

cellular telephone, and information on catch and other required information is given, under this collection of information.

In addition, NMFS has established measures to keep fishery impacts within conservation objectives for the California Coastal Chinook salmon (50 CFR 660.410(d)(3)). This information collection assists in the management of the landing and possession limits for the California commercial salmon troll fishery. The State of California requires that fish tickets with the number of Chinook salmon landed be entered into the California Department of Fish and Wildlife electronic landing database. NMFS requires that this be completed within 24 hours of landing.

The annual management measures will specify the contents and procedure of the notifications, and the entities receiving the notifications (*e.g.*, United States Coast Guard). Absent this requirement by the Council, the state reporting systems would not regularly collect this specific type of in-season radio report or electronic landing data. These provisions, and this federal collection of information, promote safety at sea, provide practical utility for sustainably managing the fishery, and ensure regulatory consistency across each state by implementing the same requirements in the territorial waters off each state. This information collection is intended to be general in scope by leaving the specifics of the notifications for annual determination, thus providing flexibility in responding to salmon management concerns in any given year.

II. Method of Collection

Notifications are made by at-sea radio or cellular phone transmissions.

SUPPLEMENTARY INFORMATION:

Table A—2026–2027 Award Year Deadline Dates by Which a Student Must Submit the FAFSA Form, by Which the Institution Must Receive the Student's Institutional Student Information Record (ISIR) or FAFSA Submission Summary, and by Which the Institution Must Submit Verification Outcomes for Certain Students.

Table A provides information and deadline dates for receipt of the FAFSA form, corrections to and signatures for the FAFSA form, ISIRs, and FAFSA Submission Summary, and verification documents.

The deadline date for the receipt of a FAFSA form by the Department's FAFSA Processing System (FPS) is June 30, 2027, regardless of the method that the applicant uses to submit the FAFSA form. The deadline date for the receipt of corrections, notices of change of address or institution, or requests for a duplicate FAFSA Submission Summary is September 11, 2027.

For all *Title IV, HEA* programs, an ISIR or FAFSA Submission Summary for the student must be received by the institution no later than the student's last date of enrollment for the 2026–2027 award year or September 18, 2027, whichever is earlier. Note that a FAFSA

form must be submitted and an ISIR or FAFSA Submission Summary received for the dependent student for whom a parent is applying for a Direct PLUS Loan.

Except for students selected for Verification Tracking Groups V4 and V5, verification documents must be received by the institution no later than 120 days after the student's last date of enrollment for the 2026–2027 award year or September 18, 2027, whichever is earlier. For students selected for Verification Tracking Groups V4 and V5, institutions must submit identity verification results no later than 60 days following the institution's first request to the student to submit the documentation.

For all *Title IV*, *HEA* programs except for (1) Direct PLUS Loans that will be made to parent borrowers, and (2) Direct Unsubsidized Loans that will be made to dependent students who have been determined by the institution, pursuant to section 479A(c) of the HEA, to be eligible for such a loan without providing parental information on the FAFSA, the ISIR or FAFSA Submission Summary must have an official Student Aid Index (SAI) and the ISIR or FAFSA Submission Summary must be received by the institution no later than the earlier of the student's last date of enrollment for the 2026–2027 award year or September 18, 2027. For the two exceptions mentioned above, the ISIR or FAFSA Submission Summary must be received by the institution by the same dates noted in this paragraph, but the ISIR or FAFSA Submission Summary is not required to have an official SAI.

For a student who is requesting aid through the Pell Grant, FSEOG, or FWS programs or for a student requesting Direct Subsidized Loans, who does not meet the conditions for a late disbursement under 34 CFR 668.164(j), a valid ISIR or valid FAFSA Submission Summary must be received by the institution by the student's last date of enrollment for the 2026–2027 award year or September 18, 2027, whichever is earlier.

In accordance with 34 CFR 668.164(j)(4)(i), an institution may not make a late disbursement of *Title IV*, *HEA* program funds later than 180 days after the date of the institution's determination that the student was no longer enrolled. Table A provides that, to make a late disbursement of *Title IV*, *HEA* program funds, an institution must receive a valid ISIR or valid FAFSA Submission Summary no later than 180 days after its determination that the student was no longer enrolled, but not later than September 18, 2027.

Table B—2026–2027 Award Year Deadline Dates By Which an Institution Must Submit Disbursement Information For the Pell Grant, Direct Loan, and TEACH Grant Programs.

For the Pell Grant, Direct Loan, and TEACH Grant programs, Table B provides the earliest disbursement date, the earliest dates for institutions to submit disbursement records to the Department's Common Origination and Disbursement (COD) System, and deadline dates by which institutions must submit disbursement and origination records.

For the 2026–2027 Award Year, an institution must submit Pell Grant, Direct Loan, and TEACH Grant disbursement records to COD, no later than November 30, 2026 or 15 days after making the disbursement or becoming aware of the need to adjust a previously reported disbursement, whichever is later. In accordance with 34 CFR 668.164(a), *Title IV*, *HEA* program funds are disbursed on the date that the institution: (a) credits those funds to a student's account in the institution's general ledger or any subledger of the general ledger; or (b) pays those funds to a student or parent directly. *Title IV*, *HEA* program funds are disbursed even if an institution uses its own funds in advance of receiving program funds from the Department.

An institution's failure to submit disbursement records within the required timeframe may result in the Department rejecting all or part of the reported disbursement. Such failure may also result in an audit or program review finding or the initiation of an adverse action, such as a fine or other penalty for such failure, in accordance with subpart G of the General Provisions regulations in 34 CFR part 668.

Deadline Dates for Enrollment Reporting by Institutions.

In accordance with 34 CFR 674.19(f), 682.610(c), 685.309(b), and 690.83(b)(2), upon receipt of an enrollment report from the Secretary, institutions must update all information included in the report and return the report to the Secretary in a manner and format prescribed by the Secretary and within the timeframe prescribed by the Secretary. Consistent with the *National Student Loan Data System (NSLDS) Enrollment Reporting Guide*, the Secretary has determined that institutions must report at least every two months. Institutions may find the *NSLDS Enrollment Reporting Guide* in the "Knowledge Center" via Federal Student Aid's (FSA) Partner Connect website at: <https://fsapartners.ed.gov/knowledge-center>.

¹ The deadline for electronic transactions is 11:59 p.m. (Central Time) on the deadline date. Transmissions must be completed and accepted before 12:00 midnight to meet the deadline. If transmissions are started before 12:00 midnight but are not completed until after 12:00 midnight, those transmissions do not meet the deadline. In addition, any transmission submitted on or just prior to the deadline date that is rejected may not be reprocessed because the deadline will have passed by the time the user gets the information notifying them of the rejection.

² The date the ISIR/FAFSA Submission Summary transaction was processed by FPS is considered to be the date the institution received the ISIR or FAFSA Submission Summary regardless of whether the institution has downloaded the ISIR from its Student Aid Internet Gateway (SAIG) mailbox or when the student submits the FAFSA Submission Summary to the institution.

An institution may establish an earlier deadline for the submission of verification documents for purposes of the Campus-Based programs and the Direct Loan Program, but it cannot be later than this deadline date.

⁴ Note that changes to previously submitted identity verification results must be updated within 30 days of the institution becoming aware that a change has occurred.
