SUPPLEMENTARY INFORMATION:

Background: The Committee for Purchase From People Who Are Blind or Severely Disabled operates as the U.S. AbilityOne Commission. It is the independent Federal agency that oversees the AbilityOne Program, which provides employment opportunities through Federal contracts for people who are blind or have significant disabilities in the manufacture and delivery of products and services to the Federal Government. The Javits-Wagner-O'Day Act (41 U.S.C. chapter 85) authorizes the contracts.

The Government Performance and Results Act (GPRA) of 1993 (Pub. L. 103–62), as amended by the GPRA Modernization Act of 2010 (Pub. L. 111–352), requires Federal agencies to update their strategic plans each presidential term and solicit input from stakeholders.

The draft FY 2026–2030 strategic plan includes three strategic objectives:

(1) Increase workforce participation by Americans who are blind or have significant disabilities.

(2) Drive value, efficiency, and accountability across the AbilityOne Program.

(3) Engage in partnerships to expand employment opportunities for Americans who are blind or have significant disabilities within and beyond the AbilityOne Program.

The plan also includes outcome goals, strategies, and performance measures to evaluate success, demonstrate impact, and ensure transparency.

The Commission will consider all comments received during the comment period. The Commission may use some comments to amend or modify the strategic plan, but commenters should note that this posting and any public comments are not subject to the Administrative Procedure Act (5 U.S.C.

551–559) and its implementing regulations.

The Department is soliciting comments on the proposed information collection request (ICR) that is described below. The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Title of Collection: William D. Ford Federal Direct Loan Program, Federal Direct PLUS Loan Request for Supplemental Information.

OMB Control Number: 1845–0103.

Type of Review: Revision of a currently approved ICR.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 1,379,766.

Total Estimated Number of Annual Burden Hours: 689,883.

Abstract: The Federal Direct PLUS Loan Request for Supplemental Information serves as the means by which a parent applicant may provide certain information to a school that will assist the school in originating the borrower's Direct PLUS Loan award, as an alternative to providing this information to the school by other means established by the school. This is a request for a revision of the currently approved form.

The One Big Beautiful Bill Act (OBBBA) signed into law on July 4, 2025, made statutory changes to Sections 455(a), 455(d), 455(e), 455(g), and 455(q) that impact borrower eligibility, terms and conditions, and borrowers' rights and responsibilities for Direct PLUS Loans received on or after July 1, 2026.

The new regulations directly impact the Direct PLUS Loan Request. Namely, the regulations modify the annual and aggregate loan limits for Direct PLUS Loans for parent borrowers and

eliminate a graduate or professional student's eligibility for new PLUS loans as of July 1, 2026.

Chief Data Officer, Office of Planning, Evaluation and Policy Development.
