

information will be withheld only if a determination is made that one of FOIA's exemptions to disclosure applies. Such a determination will be made in accordance with the Department's FOIA regulations and applicable law.

c. Section 304 of the National Historic Preservation Act (NHPA) (54 U.S.C. 307103(a))

After consultation with the Secretary, BOEM is required to withhold the location, character, or ownership of historic resources if it determines that disclosure may, among other things, risk harm to the historic resources or impede the use of a traditional religious site by practitioners. Federally Recognized Indian Tribes, communities, and organizations should designate information that falls under Section 304 of the NHPA as confidential. If appropriate, BOEM may also use submitted information to support the Section 106 consultation required by the NHPA related to historic preservation concerns and in part address the commenting requirements noted in 36 CFR part 800.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-779 and 731-TA-1765-1766 (Final)]

Chromium Trioxide From India and Turkey; Revised Schedule for the Subject Investigations

AGENCY: United States International Trade Commission.

ACTION: Notice.

DATES: June 17, 2026.

FOR FURTHER INFORMATION CONTACT:

Laurel Schwartz (202-205-2398), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for

this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: On May 14, 2026, the Department of Commerce ("Commerce") published its preliminary affirmative determination in the countervailing duty ("CVD") investigation on chromium trioxide from India and alignment of the final CVD determination with the final determination in the companion antidumping duty ("AD") investigation of chromium trioxide from India (91 FR 27244, May 14, 2026). On May 22, 2026, Commerce published its preliminary affirmative determinations in the AD investigations on chromium trioxide from India and Turkey, and its postponement of the final determination with respect to India (91 FR 30276 and 30280, May 22, 2026). At that time, Commerce did not postpone its final AD determination with respect to chromium trioxide from Turkey. On May 22, 2026, the Commission established a schedule for the conduct of the final phase of the subject investigations (91 FR 34653, June 8, 2026). Subsequently, Commerce postponed the deadline for issuing its final AD determination with respect to chromium trioxide from Turkey to October 5, 2026, as aligned with its postponed final determinations with respect to chromium trioxide from India (91 FR 36119, June 16, 2026). The Commission, therefore, is revising its schedule to conform with Commerce's new schedule.

The Commission's revised dates in the schedule are as follows: requests to appear at the hearing must be filed with the Secretary to the Commission not later than 5:15 p.m. on September 23, 2026; the prehearing conference will be held at the U.S. International Trade Commission Building on September 25, 2026, if deemed necessary; the prehearing staff report will be placed in the nonpublic record on September 15, 2026; the deadline for filing prehearing briefs is 5:15 p.m. on September 22, 2026; the hearing will be held at the U.S. International Trade Commission Building at 9:30 a.m. on September 29, 2026; the deadline for filing posthearing briefs is 5:15 p.m. on October 7, 2026; the Commission will make its final release of information on October 26, 2026; and final party comments are due on 5:15 p.m. on October 28, 2026.

For further information concerning this proceeding, see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.21 of the Commission's rules.

By order of the Commission.

Issued: June 17, 2026.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

Notice of Receipt of Complaint; Solicitation of Comments Relating to the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has received a complaint entitled *Certain Anode Materials for Use in Battery Cells and Batteries*, DN 3916; the Commission is soliciting comments on any public interest issues raised by the complaint or complainant's filing pursuant to the Commission's Rules of Practice and Procedure.

FOR FURTHER INFORMATION CONTACT: Lisa R. Barton, Secretary to the Commission, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2000. The public version of the complaint can be accessed on the Commission's Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov.

General information concerning the Commission may also be obtained by accessing its internet server at United States International Trade Commission (USITC) at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission has received a complaint and a submission pursuant to § 210.8(b) of the Commission's Rules of Practice and Procedure filed on behalf of Sila Nanotechnologies, Inc. and Georgia Tech Research Corporation on June 18, 2026. The complaint alleges violations of section 337 of the Tariff Act of 1930

(19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain anode materials for use in battery cells and batteries. The complainant names as respondents: Carbon ONE New Energy Group Co., Ltd. of China; Carbon One New Energy (Hangzhou) Co., Ltd. of China; and Zhejiang Lichen New Material Technology Co., Ltd. of China. The complainant requests that the Commission issue a limited exclusion order, cease and desist orders, and impose a bond upon respondents' alleged infringing articles during the 60-day Presidential review period pursuant to 19 U.S.C. 1337(j).

Proposed respondents, other interested parties, members of the public, and interested government agencies are invited to file comments on any public interest issues raised by the complaint or § 210.8(b) filing. Comments should address whether issuance of the relief specifically requested by the complainant in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the requested remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the requested remedial orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the requested exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the requested remedial orders would impact United States consumers.

Written submissions on the public interest must be filed no later than by close of business, eight calendar days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial

determination in this investigation. Any written submissions on other issues must also be filed by no later than the close of business, eight calendar days after publication of this notice in the **Federal Register**. Complainant may file replies to any written submissions no later than three calendar days after the date on which any initial submissions were due, notwithstanding § 201.14(a) of the Commission's Rules of Practice and Procedure. No other submissions will be accepted, unless requested by the Commission. Any submissions and replies filed in response to this Notice are limited to five (5) pages in length, inclusive of attachments.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. Submissions should refer to the docket number ("Docket No. 3916") in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, Electronic Filing Procedures ¹). Please note the Secretary's Office will accept only electronic filings unless an exemption is granted. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>.) Persons with questions regarding filing should contact the Secretary at EDIS3Help@usitc.gov.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this Investigation may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract

personnel,² solely for cybersecurity purposes. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.³

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of §§ 201.10 and 210.8(c) of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.8(c)).

By order of the Commission.

Issued: June 18, 2026.

Lisa Barton,

Secretary to the Commission.
