ACTION: Notice of request for extension of OMB approval of information collection.

SUMMARY: The Pension Benefit Guaranty Corporation (PBGC) is requesting that the Office of Management and Budget (OMB) approve, under the Paperwork Reduction Act, a new collection of information. SUPPLEMENTARY INFORMATION: The Direct Express card is a prepaid debit card that federal benefit recipients can use to receive their benefits electronically and is administered by the U.S. Department of the Treasury (''Treasury''). Federal benefit recipients do not need a bank account to sign up for the Direct Express card, and there is no credit check or minimum balance requirement.

Executive Order 14247 (''Modernizing Payments To and From America's Bank Account''), signed on March 25, 2025, requires the transition to electronic payments for all Federal disbursements and collections by digitizing payments to the extent permissible under the law. To comply with Executive Order 14247, PBGC is transitioning its recipients receiving paper checks to receive their benefits electronically. These recipients can do so by providing their bank or credit union information or through using a Direct Express card.

For PBGC to enroll its payees currently receiving paper checks with the Direct Express card, PBGC must collect identifying information needed to set up the account. Those wishing to enroll also must certify that the information provided can be used to establish the Direct Express card account to receive benefit payments. PBGC will use the information it receives and coordinate with Treasury to set up the accounts. Treasury will issue the card authorized to receive PBGC payments to the benefit recipient, and then PBGC will use that account number to pay benefits electronically.

On March 18, 2026, PBGC published in the **Federal Register** (at 91 FR 13081) a notice informing the public of its intent to request approval of this new collection of information. No comments were received in response to this notice. PBGC intends to request that OMB approve PBGC's use of this form for 3 years. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that it will receive enrollment forms from approximately 10,000 benefit recipients in the first year, and approximately 2,000 per year in the following years, leading to an average of 4,667 forms per year over the next 3 years. PBGC estimates that it will take 10 minutes and $0 for interested enrollees to complete this form. Therefore, the total annual burden associated with this collection of information is estimated to be 778 hours and $0 each year for the next 3 years.

Assistant General Counsel, Pension Benefit Guaranty Corporation.

I. Discussion

In Order No. 9594, the Commission set July 7, 2026 as the deadline for comments on the current methodology used by the Commission to value the Postal Service's universal service obligation (USO).[1] On June 18, 2026, the Postal Service filed a motion for extension of time of 30 days until August 6, 2026, to file comments in response to Order No. 9594.[2] The Postal Service states that it requests additional time ''due to the magnitude of data requiring review'' and it needs additional time to analyze that information and prepare its comments. Because extending the comment deadline to August 6, 2026 is unlikely to have any adverse impact on other participants and on the procedural schedule of this docket, the Motion is granted. 39 CFR 3010.162(c).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–105727; File No. SR-CboeBYX–2026–014]

Self-Regulatory Organizations; Cboe BYX Exchange, Inc.; Notice of Designation of Longer Period for Commission Action on Proposed Rule Change To Amend Rule 11.25 To Introduce an Optional, Contingent Instruction Applicable to Periodic Auction Only Orders, Introduce a Time-in-Force of Auction or Cancel, and Make Conforming Changes to Its Periodic Auction Processing Behavior To Support the Proposed Contingent Instruction

June 18, 2026.

On April 28, 2026, Cboe BYX Exchange, Inc. (the ''Exchange'' or ''BYX'') filed with the Securities and Exchange Commission (''Commission''), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act''),[1] and Rule 19b–4 thereunder,[2] a proposed rule change to introduce an optional, Contingent Instruction applicable to Periodic Auction Only Orders, introduce a time-in-force of Auction or Cancel, and make conforming changes to its Periodic Auction processing behavior to support the proposed Contingent Instruction. The proposed rule change was published for comment in the **Federal Register** on May 14, 2026.[3]

Section 19(b)(2) of the Act[4] provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is June 28, 2026. The Commission is extending this 45-day time period.

The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider the proposed rule change. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,[5] designates August 12, 2026 as the date by which the Commission shall either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR–CboeBYX–2026–014).
